

# **ZULF DEMANDS TOTAL REPLACEMENT OF THE ENTIRE UNITED STATES GOVERNMENT**

ZULFIKAR MOINUDDIN AHMED

## **1. I STAND ON DECLARATION OF INDEPENDENCE**

Declaration of Independence says that American Government exists to secure my Natural Rights as an American. I have found that American Government in its current form has failed to secure my Natural Rights against the assaults of malevolent Demon Bill Gates. Therefore I will demand a total dissolution of the entire United States Government and its replacement by a new Government that is capable of securing my Natural Rights and those of my 320 million fellow Americans.

## **2. UNITED STATES IS A CLASSICAL LIBERAL MULTI-ETHNIC DEMOCRATIC REPUBLIC**

United States Government exists primarily to secure Natural Rights of all Americans. If they are unable to comply with the primary goal, I ought to demand a total replacement of the entire United States Government.
