

ZULF'S EXPLANATION FOR WHY BILL GATES IS STIL ALIVE AFTER GREAT HARM TO ME

ZULFIKAR MOINUDDIN AHMED

It's trivial. US Government is quite inundated with corruption of the evils of white supremacy and that is the reason Bill Gates is still not bombed relentlessly and obliterated.

The proof is simple. In your mind, make me an ambitious white entrepreneur who is a Princeton graduate with good ideas that will succeed. Imagine Bill Gates is replaced by an Arab sheikh power-monger. Suppose this hypothetical fuck cuts up my eyes and destroys my ancestral meta, family, etc. etc. rots my teeth.

US Government would instantaneously vaporise the Arab sheikh guy. They would not think about it. It would not matter if he is the founder of Uber-Microsoft. US Government would nuke the fuck, because US Government is corrupted by evil white supremacy and they hide behind 'circumspect' and 'political repercussion'. If I were a white boy getting destroyed by an Arab sheikh, they would use words like 'punishment' and 'retaliation' and other war words. They are pussy footing and meek because they are only slightly lower in their white supremacist ardor than Bill Gates and actually does not feel good about punishing white murderous malevolent barbaric criminals who are war criminals because they think he's like their next door neighbor.

Do you think I call US Government noobs because they are experienced in ensuring survival of Republics that are multi-ethnic for thousands of years without fail? No, I call them noobs because they will collapse United States even before probably the next few years because they are exactly bad when the stakes are high and make a huge amount of bombing raids when the stakes are low. Idiots.
