

TIME FOR DEATH APPROACHES

ZULFIKAR MOINUDDIN AHMED

Damyata: The boat responded
Gaily, to the hand expert with sail
and oar The sea was calm, your
heart would have responded Gaily,
when invited, beating obedient To
controlling hands
I sat upon the shore Fishing, with
the arid plain behind me Shall I at
least set my lands in order?
London Bridge is falling down
falling down falling down Poi
s'ascose nel foco che gli affina
Quando fiam uti chelidon—O
swallow swallow Le Prince
d'Aquitaine à la tour abolie These
fragments I have shored against my
ruins Why then Ile fit you.
Hieronymo's mad againe. Datta.
Dayadhvam. Damyata. Shantih
shantih shantih

T. S. Eliot, *The Waste Land*

My breathing is laboured and the pain is not sharp but blunt. The heavy industrial and war meta of Bill Gates might have been too much for the physical body. This body has served me well for 48 years and I have no regrets about choosing my particular biological parents at all. They are great people, wonderful in their qualities.

I better set my lands in order. I sent a note to Evelin Lindner who is a great person and will be able to disseminate the new world order ideas that I have. She is German in part which is good because Germany has to do something there.

1. MONEY ISSUES

I will talk to my biological mother before I die. I want United States Supreme Court to pay \$1-2 trillion for the Natural Rights Security failure and I want my \$620 million to go to my family. I want the other money \$1-2 trillion to be given to ECB as they have my list of tasks and I want ECB to produce some organisation with the larger sum. Don't give that to my mother and brothers. That is for the human race.

Date: November 16, 2021.

2. COMPLETION OF ROMANTIC LOVE VIRTUES

I will work out some more of the Romantic Love Virtues. I want a new sort of Global Romantic matching based on my approximate statistical Soul Mate measures. I have them in Github; they should be under Zulf's Q-metrics. I want someone to fix up this horrible problem of bad romances and single mothers. An Angelic Race will have terrible problem routinely bringing up broken people. I don't want that to continue. Give a good service that is no more than \$10-20 per month. Don't compete with Match and other services at all. Do Self-Disclosure management and use Zulf's Q-metrics instead. Focus on environments where people can get to know each other rather than making it Ludus-friendly. ECB you want to take leadership of this please if I die?

3. I WAS MURDERED BY BILL GATES IF I DIE

Do not think for a moment this was natural disease or coronavirus. It was the Demon Bill Gates. Arrogant outcast Demon. I will contact Demon Lords at the highest level to demand an explanation for mistreatment of an Archangel in an Angelic World. We have treaties with Demons. This is intolerable disrespect towards a high ranking Archangel. We are extremely careful about sending in Angels into Demonic Worlds. This is not even a strategically valuable asset to Demons. There is virtually no Civilisation for millions of lightyears around here. I hate it when my relaxing vacation in a quaint little world far from the maddening crowd is infiltrated by rowdy and malevolent Demon without a touch of grace, no sense of beauty. This wretched Demon carries around a jar of feces in an Angelic World shamelessly and expects the respect of the people around here. It is quite atrocious. The human race can be forgiven, however, they are young and lacking in wisdom yet.
