

**JUST AS A THOUSAND YEARS AGO ENGLISH KNIGHTS
WERE MY BROTHERS DURING SOMETIME IN 1200 SO IN
THIS LIFE**

ZULFIKAR MOINUDDIN AHMED

It's pretty strange but the English Knights who were my brothers early 1200 AD are again doing considers while Bill Gates rushed to kill me and Queen Elizabeth was considering me. In any case, this Bill Gates who was trying to kill me is an Evil Sorceror. Now why did the Pentagon not kill him after everything I had already said? I do not understand why every English Knight is looking at me and Pentagon thinks that no one will notice that Bill Gates was plotting to kill me. He does not care who watches but I am not impressed at all. How does America even exist if the government does not kill these malevolent murderous criminals.
