

**ZULF ATTEMPTS TO EXPLAIN MY SIXTH SENSE
REGARDING HIDDEN HAND OF RACIAL CULTS IN
AMERICAN GOVERNMENT**

I began to suspect that American Government had hidden hands who were giving support to Extreme Racial Supremacy plots and agenda of Bill Gates some weeks ago, after I did not receive satisfactory responses for my calls to bomb Bill Gates relentlessly and obliterate him physically. I do not know the identities and names of these white supremacist cultists in the United States Government, but I could infer their existence by my strategic intuition. This implied that I could not rely even on Joe Biden who holds explicit contempt for white supremacists in America and whose Administration at least formally is against white supremacy. I have always been fond of the United Nations since I was even a teen since in my father's family many had studied in England and joined UN in various ways, and I considered the ethnicity of the current UN Secretary-General, who is European white but not Scandinavian, English, or German but Portuguese. I have had a Danish lover in the past and have some sense for European view of the world, and inferred that he can be trusted not with issues of my Self-Interest, which is not his direct concern but with securing Natural Rights of all people everywhere on Earth. I am also quite familiar with the good, the bad, and the ugly of US Foreign Policy from 1945-2021 including our invasion of 37 countries and killing of 20 million total altogether around 60 percent above the total homicides of the world in the same period. This is a rough estimate that is justifiable.

So then I had to make a quick decision on July 18 2021, and I decided to ask ANTONIO GUTERRES to probe all high officials in American Government for security of Natural Rights in America, consistent with US Declaration. This is a matter of Conscience for me since our Government if corrupted by a cult of ethnic supremacists, with access to vast stores of biological, chemical, and nuclear weapons is a grave threat to the future well-being of my Beloved People the Human Race, an unacceptable situation for my Conscience.
