

**ZULF THANKS MADAM LAGARDE FOR ORDERING IMF TO
GET ME MY \$620 MILLION PAST BILL GATES BLOCKADES**

ZULFIKAR MOINUDDIN AHMED

I am Finance. My tribe is rescuing me. I'm filled with joy. Madam Christine Lagarde ordered IMF to get me my \$620 million that is obstructed by Bill Gates. That's good. Finance needs practice getting around these horrible criminals anyway.

I am most grateful Madam Christine Lagarde. Of course it will be easier when I actually get the money but this is very good.

For my dear readers, my mother Sadiqua Ferdause Ahmed, and my father Khondkar Miran Ahmed taught me good manners, which is more than I can say for the peasant stock Bill Gates.
