Bill Gates, why don't you take your white order and shove it up your cunt you miserable wretched little shit. I am an immortal genius you worthless little miserable wretched criminal scumbag. What have you done with your life you stupid worthless loser? I have overthrown a century of fundamental physics. Besides murder and lies, and shitty code that is abominable you've done nothing with your life stupid scumbag.

I don't understand why the United States Government doesn't just bomb this little shit and eliminate him. He's a liability for the United States. You won't even have any nation left if you keep coddling these malevolent worthless criminal racial scumbags.
