

**UNITED STATES GOVERNMENT IS A SAVAGE BARBARIC  
ORGANISATION THAT MUST BE EVISCERATED: DECEMBER  
24 2021**

ZULFIKAR MOINUDDIN AHMED

Professor Haim Brezis, a great French Mathematician found that United States Government knew all along that I, Zulfikar Moinuddin Ahmed, graduated magna cum laude in 1995 from Princeton with a Prize for most original thesis, and yet colluded with Bill Gates the racial murderer to harm me defying its very foundational charter and despite a great deal of public protest and seeking destruction of the vile evil racial murderer who is a *blood parasite* one of the most dangerous sorts of evil parasitic beings in existence.

It is therefore most imperative that this evil organisation be totally destroyed for the preservation of Civilisation on Earth. They do not represent Civilisation at all, and are a murderous criminal parasitic organisation that do not belong on Earth. All nations should take my admonition seriously, that this organisation, United States Government does not belong in Civilisation at all, and does not deserve to exist.

1. I AM STARTING TO THINK GASSING AMERICAN GOVERNMENT WHITES IS A  
GOOD IDEA

Why does the world need these cunts? They allow a racial murderer to become wealthy and powerful and then when he assaults and plots murder of an American, when all nations of the world in Europe and Asia would kill him, they keep supporting him and allowing him to hurt an American. The world does not need these people. I am seriously thinking gassing all of them in Auschwitz is a great idea. The rest of the world can do without them. Who needs these people?
