

**US EXECUTIVE WHITES I WILL ELIMINATE YOU ALONG
WITH BILL GATES AND HIS BACKERS IF YOU DELAY**

ZULFIKAR MOINUDDIN AHMED

US Executive Whites *The Enemies of Liberty of Human Race* including Bill Gates and his wealthy white backers must be eliminated to preserve Liberty of my Beloved People. I will eliminate all of you to ensure my people do not have their Liberty challenged. It is my moral duty to my Conscience. You have responsibility to enforce laws and I am not impressed with your mistreatment of my Natural Rights at all.

I won't give you any time estimates. Know this that I do not have any personal issues involved. If you eliminate *The Enemies of Liberty of the Human Race* I will not consider you as problems. But so long as you are not actively authorising the total annihilation of *The Enemies of Liberty of the Human Race*, I will consider your lives a small price to pay to preserve Liberty of peoples of this planet.

I am not a military man, so don't worry about me going around with a blade and those stars in a ninja suit into your homes. Rather, I will push for global defense changes and eventually you will be prisoners of war or dead by military actions of foreign powers.
