

HAPPINESS AND LIFE SATISFACTION EFFECTS OF TRUST

ZULFIKAR MOINUDDIN AHMED

All I need is one One old man is
enough Babe, you got it wrong
Please turn your fears into trust, to
trust You're sayin' those words like
you hate me now (wo-oah) Our
house is burning when you're
raising hell (wo-oah) Here in the
ashes your soul cries out (a-a-ah)
But don't be afraid of these
thunderclouds These
thunderclouds, oh, no
