

**ZULF WANTS UNITED STATES SENATE TO PASS A LAW
BANNING ANY WARS IN ASIA**

ZULFIKAR MOINUDDIN AHMED

I am Zulfikar Moinuddin Ahmed, USCIS# 046-077-179, Asian-American. I immigrated from Bengal in 1987 and have Permanent Residency for 24 years since 1997 expiring 2031 now.

I don't want these wars that the Defense Department is planning in Asia. Bill Gates put in tens of billions for white supremacist wars in Asia. I want United States Senate to pass a ban on wars in Asia.

You surely know that on September 11 2001, there was no Islamist hijacking in any of those planes. There were classified war plans in seven Muslim countries beforehand. Israel's Mossad triggered them by remote-controlling some planes to those buildings and demolishing them.

Wesley Clark found out about the classified plans right after 9/11 and told Amy Goodman about them in a 2007 interview. I don't want this game of self-sabotage and wars continue in Asia. Enough is enough. Vietnam War's Gulf of Tonkin was also self-sabotage.

Can you please vote to ban wars in Asia right away?

Thank you,

Zulfikar Moinuddin Ahmed
