

UN SECURITY COUNCIL WHY DO YOU MAKE MISTAKES EVERY TIME RATHER THAN ONLY RARELY?

ZULFIKAR MOINUDDIN AHMED

You did make a good decision discovering that Bill Gates did commit crimes against humanity and war crimes against me by using all manner of extremely evil and illegitimate power destructively against me. But after that you just waited for United States Government to execute the death sentence instead of doing something that would lead to any results. That caused huge harm to me as Bill Gates used more and more and more harmful destructive considers for more than six months.

Do you understand that you actually punted on someone who was plotting murder caused massive war crimes, and then just didn't do anything to ensure that the criminal was either killed or put away. That sort of horrible error seems quite deliberate to people. One wonders whether you understand what you are doing or whether you are just play-acting to continue with all the crimes for show and tell to fool the people.

You did this all the way back to Korean war and all the other wars. You did not do anything right to find out if the hijackings of 9/11 were faked or not and authorised destruction of more Asian countries.

You understand, that there is a limit to how much people are willing to believe that you don't make these 'mistakes' with malevolent intent or whether you do them because you are genuinely innocent and following rules but are actually just outrageously stupid.

Either way, my life is at stake and I want you to shape up or give your jobs to people who don't make these 'mistakes' ok?

1. LOOK I WILL MAKE YOUR LIFE MISERABLE UNTIL BILL GATES IS DEAD

I don't really give all that much of a damn what your inconvenience is United Nations Security Council. My life is threatened by murderous evil Bill Gates and so I will do everything to make you kill him without any care about whether you feel good or bad about anything. You would do the same thing if your life were threatened by a murderous evil man and the authority jerked off for six months while the culprit kept on doing harm to you for six months. So let's not pretend that you are innocent babies ok?

2. WHO GAVE YOU JOBS AT UN SECURITY COUNCIL?

It was UN Security Council experts who provably judged death sentence for war crimes and crimes against humanity for Bill Gates. What do you mean you thought he was a rational gentleman? How do you figure that? He's one of the most horrible evil murderous sons of bitches ever born on Earth and you then figure that he is a rational gentleman how exactly? Are you sure you are in the right jobs? Jesus

Date: November 30, 2021.

Christ! I am now terribly scared for all human beings. I haven't seen more moronic idiots in any slapstick comedy. Say what?!!!

3. DO YOU KNOW WHAT A RATIONAL GENTLEMAN IS UN SECURITY COUNCIL?

How do you decide that Bill Gates is a rational gentleman exactly? You mean his television commercials and interviews and his documentaries? Those are all "PR" fabricated lies to project a false image. What do you mean exactly? Do you think a man who cuts into the Deep Interior of an Asian American to enslave all Asians by a back channel is a 'rational gentleman'? What exactly are your meanings in English language? He is an evil Sorceror and purely destructive savage Demon. How did he become a 'rational gentleman' to you suddenly?
