

**ASIA KNOCK OUT THE UNITED STATES IF I DIE IN ALLEN  
TEXAS**

ZULFIKAR MOINUDDIN AHMED  
ZULFIKAR.AHMED@GMAIL.COM

Bill Gates says 'Whites have power and so there is no reason to worry about natural rights.' That's bad news for 4.5 billion Asians. Just knock out the United States. These morons at United States Government are not going to produce Natural Rights Order. Accept a World War if necessary. Asia is more important for Human Race than United States.

Thanks,
