

TRANSCRIPTION OF AMERICAN WHITES INSTRUCTIONS TO BILL GATES

American White instructions to Bill Gates is that it is against White Law to breach the Blood Meta and Deep Interior of any non-white person. They want Bill Gates to exit my Deep Interior immediately and they want to fix up my legitimate income of \$620 million from Finance.

These are good solid decisions, and if they are successful will prevent a crisis of the *Enemies of Liberty of the Human Race* which include Bill Gates and some wealthy white backers who had plans for a White Racial World Order. I suspect that American Whites were not actually aware of these plans at all.
