

## AMERICAN GOVERNMENT CONTINUOUSLY PUTS AMERICAN PEOPLE IN HARM'S WAY WITH LIES

ZULFIKAR MOINUDDIN AHMED

There was not even a single Muslim terrorist hijacking on September 11 2001. I know this with absolute certainty. Even Noam Chomsky was fooled. There was no hijacking at all. Neoconservatives in Washington planned and classified some war plans for a "post-Soviet world order" but did not know if they could do it. Israel's Mossad remote-controlled a few passenger jet planes and used demolitions to tear down Twin Towers. Not even a single Muslim man from Middle East was involved. But American Government lied to the American people that Muslim terrorists were responsible and launched the wars.

Now I am not from the Middle East at all. And I am not a Muslim. But I am sure that if I were in some country and people from America lied about my countrymen and started to invade my country and destroy it, I would have lifelong vendetta planned for them. And so it was not September 11 2001 that showed any hatred of anyone towards America. It was the wars that America began that *manufactured* the threat to Americans because all manner of lawyers and businessmen and merchants and cafe workers and nurses and ordinary people in the Middle East then had hatred for America *after the fact*. That is the production of threat to America from people most Americans do not know, and towards whom they had no hostility.

American Government's job is to secure our Natural Rights, which means not *manufacture threats* to us. Instead, year after year, month after month, decade after decade, American Government thinks it is very *grand* to produce threats against us instead of doing their goddam Constitutional mandate to secure our Natural Rights. Such an incompetent useless worthless government this world has never seen before.

### 1. AMERICAN GOVERNMENT WHITES IT'S NOT SAYING MUCH THAT YOU ARE NOT IN THE SAME CLASS AS A RACIAL MASS MURDERER

Why don't you American Government whites send a letter to your mommies with "Hi mom, things are great in Washington. By the way, you will be so happy and proud of me. I'm not in the same class as a racial mass murderer". I won't even try to imagine the dismay on her face. Are you joking with me? Are you serious? You have an obligation to the American people, 40 percent of them non-white, to get rid of bad guys and stop killing and harming non-white Americans. You don't even enforce criminal laws against a confessed racial mass murderer and you expect sympathy? You think we want people who are not in the same class as a racial mass murderer to implement the goddam will of the American people?

## 2. SO AMERICAN GOVERNMENT WHITES HOW IS MANIFEST DESTINY IN ASIA GOING?

I see that you've been busy since 1945, very very busy with your *Manifest Destiny In Asia* plots. How is that going. Any more countries on your list to invade. Let me help you out. Let me do the honours. Let's get an Asia map.

As you progress from the right end encircling all the way to the left, I see that your Manifest Destiny plot is progressing steadily huh? A far cry from the rush for California in American West Coast, huh?

## 3. GET READY TO BE NUREMBERGED WHITE PEOPLE IN AMERICAN GOVERNMENT

Zulf is big, and you are easy targets now for Zulf. I'll implicate the whole lot of you, approximately 2 million people as all conspirators to harm me with Bill Gates and then ask for a Hague Trial for War Crimes and Crimes Against Humanity against me and *conspiracy to genocide and enslave all Asians and take over their land and resources*.

Why don't you spend more time focusing on your job instead and secure American Natural Rights? Don't you think that you're better off with a larger population before you wipe out all Asians and celebrate Asian Thanksgiving?
