

**ZULF DEMANDS EXECUTION OF A LARGE NUMBER OF
BILL GATES WEALTHY BACKERS**

ZULFIKAR MOINUDDIN AHMED

United States Executive,

I have received intelligence that not only Bill Gates but a large number of white wealthy backers of Bill Gates had been responsible for deep violations of my Natural Rights. They had plotted a racial world order with elimination of Natural Rights Security guarantee of the US Declaration of Independence. I want them all slaughtered with lethal military force immediately.

Thank you, ZULFIKAR MOINUDDIN AHMED USCIS# 046-077-179
