

**THE RESPONSIBILITY, BLAME AND GUILT FOR ALL HARM
DONE TO ME IN PAST TWO YEARS MUST BE ACCEPTED
BY WHITE PEOPLE IN AMERICAN GOVERNMENT**

ZULFIKAR MOINUDDIN AHMED

All harm done to me for the past two years I attribute to *White People In American Government*. The responsibility and blame and guilt – to the extent guilt is assessed – for this grave, egregious, extensive, destructive, vile, criminal, harm – is solely and completely and absolutely attributable to the *White People In American Government* and none other than *White People In American Government*.

It is imperative for me that I recruit all people of Earth and every institution of Earth, separately and in combination, to ensure that *White People In American Government* understand and accept this attribution. It matter not what the consequences are for this. It was fully, hundred percent, their fault, they are to blame for irreparable harm to me, and I will not accept their efforts to pretend that it was Bill Gates. No, Bill Gates is just a monster. It was *White People In American Government* who must be taken to the ends of the world and be compelled that the blame, the guilt, and the responsibility was theirs and theirs alone.

I want Eurasian Powers, the peoples of seven continents, and all organisations who examine justice on Earth to carefully assess this and ensure that there is no mistake and every one of 1.4 million white people in American Government understand that all harm in the past two years by Bill Gates is their responsibility, that they are to blame for the irreparable and destructive harm to my life, and this will be recorded in history what the judgment is on this matter by the entire human race and all people everywhere on Earth.
