

ZULF IS AMERICAN AND BILL GATES IS NOT

ZULFIKAR MOINUDDIN AHMED

Not only am I American, I might even be the only true American on Earth. Let me explain. I hold these truths to be self-evident that all men are created equal, that they are endowed by their Creator certain natural rights, that among them are Life, Liberty and Pursuit of Happiness, and that governments, including ours in America, are instituted among men to secure these rights.

Unless you actually hold these truths to be self-evident that *all men everywhere on Earth of all ethnicities* are created equal, you are *not even remotely American*. You can dress up and *pretend that you're American but you're just not American*.

I am 100% pure American. Someone like Bill Gates who says 'natural rights are claptrap' are not even remotely American. He might look like an American, he might walk like an American, but he ain't no American, yo! He ain't no American.

1. BILL GATES OBSTRUCTED MY LEGITIMATE EARNINGS AND DAMAGED MY FINANCE, TECHNOLOGY, SCIENCE META

Do you think I give a rat's ass about a podunk hick without culture or cultivation at all, who says United States won the Vietnam war and who says Hammurabi was white? I am 49 years old. I am American. Let me take another snapshot of my legitimate papers.

Date: January 10, 2022.

Bill Gates told US Government higher ups that I had *forged papers*. I am not interested in Jason Bourning him with sniper rifles. I am interested in driving him out of the goddam country or be killed not by my hands but by the government. It's their goddam job to secure my natural rights, not storm my home with a lot of people, embarrass and humiliate me in front of my aunt and brother and pretend that I am a grave threat of assassinating the snot-nosed little shit way out there 2100 miles away in boondocks of hicksville in Washington State which is not the end of the world but you can see it from there.

2. THAT'S A 'NO SHIT SHERLOCK' FOR FBI

Yes I know Bill Gates' every move because he destroyed my ethnic meta and his pea brain is clear as water to me. I'll tell you his every move. "Bill doesn't want this guy to succeed. Bill doesn't want this guy to be tenured at Harvard. Bill eliminated all life-sustaining meta and put in hard meta and destroyed his personal romantic meta. Whites are superior. Whites are superior. Bill doesn't want this kind of guy to have any earning. Bill doesn't think this guy will survive." That is Bill Gates' every move. You think making me do the rounds in Allen Texas mental health circuit and locking me up and drugging me will change this?

Yeah, I am *extremely disappointed and pissed off at our government*. Why would you do this to me and not just wipe out this cunt?

I am retaliating ok? I am retaliating because I gave access to this worthless miserable scumbag to my Medium Frequency Strategy with D. E. Shaw & Co. and he used his power to forbid them to pay me my \$120 million for that while he has \$2 billion invested in my strategy, and then the ungrateful son of a bitch cut into my blood meta, destroyed huge amounts of ethnic meta needed to sustain my life – against all white law, US law, international law – and used US War Power and US Industrial power to invade my Deep Interior to use US Industrial Power to mince flesh that will eventually kill me, and the United States Government storms my peace and asks me to go through the mental health circuit so they can declare *total destruction of my life and future as a hallucination*. I am extremely upset and I want to bring a lawsuit against the United States Government for extreme mistreatment of a non-white man in the service of a racial murderer like Bill Gates who is a total charlatan whose intellect is smaller than a pea.
