

THE ACCIDENTAL CHAMPION OF NATURAL RIGHTS OF ALL NON-WHITES IN AMERICA

ZULFIKAR MOINUDDIN AHMED

Bill Gates you should be advised that your antics have damaged me so heavily that I am now the Accidental Champion of Natural Rights of all non-Whites in America. This is not a burden or a role I wanted, but because I am a Great Man, I will take this on. I have sacrificed a great deal of my own Life, my Health, and my Happiness, been the victim of your Evil Black Magic, your rotten meta Power tricks, suffered through your attempt to mince my flesh with Industrial meta, and many other outrageous insolent and evil. How about your attempt to use US Industrial meta to damage my exoskeleton? Your assault on my Natural Rights have been quite extensive, and I have survived, and I will vow that you will be brought to justice for your great crimes against me, and no other non-white in America will ever have to face these indignities, these humiliations, these vile atrocities, these crimes ever again in the future. You will have to pay with your life, Bill Gates, and you more than any other man alive deserve to die a thousand painful deaths till you are sent back to Inferno there your Abomination of a Soul arose you Hellspawn.

Now we are at the National Level, and the whole of the Nation shall see your Evil exposed, your Evil Ugly Soul naked will face the American people, and you will not be missed or mourned as you are wiped out of existence.
