

ZULF'S ULTERIOR MOTIVES ARE TRANSPARENT

ZULFIKAR MOINUDDIN AHMED

I was against the Iraq war in San Francisco and was member of International Socialist Organisation then and protested the war, sold newspapers about Abu Ghraib torture on Mission Street and Valencia. I eventually disagreed with Socialists on many issues and exited the organisation.

My agenda is my own Natural Rights World Order and I am Asian-American. I hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed. I am the only true American on Earth.

I know all about the NSC-68 corruptions to our Multi-Ethnic Classical Liberal Democratic Republic. I have lived in America for 34 years, and I know all sorts of things about geopolitical chicanery that goes on. I know very well that there were *no hijackers* in any of the planes in September 11 2001. This was remote-control and demolition by Mossad, Israel's spy agency. They did it to trigger war plans classified for regime change in seven Muslim nations. But I have a grander perspective about the Asian Genocide ideas of some bad cats among white Americans. They operate from the parts of American Government that corrupted our nation in 1950, the NSC-68 parts I call them. They are immune to democratic control. They plot wars like the Black Sabbath song "War Pigs". They don't give a damn about national or international law. They don't give a damn about any national sovereignty in Asia. They kill

people with drones in Asia without blinking. They are murderers. And for them non-white lives, especially Asian and African lives are worthless.

I am going to quickly make some changes to Asia so that all Asian military resources are arrayed to engage this menace to Asia. Around 4.5 billion people need security and safety from these gangsters. I have my Conscience, a great Conscience, and I do my duty for my beloved people the Human Race. What is done out of love, said Friedrich Nietzsche, is beyond good and evil. Perhaps he is right. I care deeply about natural rights of 330 million Americans as well.

Not to worry, Archangel of Heaven, Zulf is aware of how to do a minor task like arrange the World Order of a Primitive little blue dot. I can do it in my sleep.

Damyata: The boat responded
Gaily, to the hand expert with sail and oar
The sea was calm, your heart would have responded
Gaily, when invited, beating obedient
To controlling hands

Date: December 13, 2021.

I sat upon the shore
Fishing, with the arid plain behind me
Shall I at least set my lands in order?
London Bridge is falling down falling down falling down
Poi s'ascose nel foco che gli affina
Quando fiam uti chelidon—O swallow swallow
Le Prince d'Aquitaine à la tour abolie
These fragments I have shored against my ruins
Why then Ile fit you. Hieronymo's mad againe.
Datta. Dayadhvam. Damyata.
