

ARCHANGEL OBSERVATION: WHITE HUMANS MORE SYMPATHETIC TO DEMON IN WHITE BODY THAN ANGEL IN NON-WHITE

ZULFIKAR MOINUDDIN AHMED

I will note down observation for the future. The primitivity level of Human Race is quite severe. The White American Humans are more sympathetic to Demon in White American body, this "Bill Gates" than myself, an Angel in non-white body. This will change in time, but the Human Race is not ready to engage with other Angelic Worlds at all. I will order Archangels to seal off this World and deny Human Race access past the local solar system till further notice. They are not ready at all to expand past the solar system. Deny all inter-galactic travel till this problem is resolved.

1. ZULF ORDERS ALL ARCHANGELS TO DENY EXPANSION OF HUMAN BEINGS BEYOND LOCAL SOLAR SYSTEM

Until the moral development of human beings is sufficiently high so that White Americans are able to sympathise with suffering of non-whites, I will forbid expansion of Human Race beyond the local Solar System. I, Archangel, have responsibility of safeguarding the well-being of many Angelic Worlds. Human Race will cause significant problems until they evolve sufficiently. Quarantine this Angelic World without intervention.
