

ZULF'S OPEN LETTER TO UNITED STATES GOVERNMENT
FEBRUARY 13 2022

ZULFIKAR MOINUDDIN AHMED
ZULFIKAR.AHMED@GMAIL.COM

Bill Gates has weaponised United States Industrial Power to use directly against American natural rights. He hurt my *exoskeleton* with US War Power to harm my Body Meta, and then penetrate my exoskeleton and used US Industrial Power in my Deep Interior in various ways including to destroy my ethnic meta.

It is my understanding that United States Government is severely underestimating the existential threat to this nation that ensues with this. The nation is founded on purpose of government being to secure natural rights of Life, Liberty and pursuit of Happiness of all Americans. I am Asian-American. My papers have been very clear for more than a year.

Date: February 14, 2022.

The purpose of United States Government is prominently written in US Declaration of Independence Preamble. It is to secure natural rights. Bill Gates' unorthodox weaponisation of US Industrial Power against my natural rights and literally destroying my daily peace by continuous efforts for a year to apply enslavement and conquest meta while I live on American Soil shows the government to be incapable of securing natural rights and will eventually lead to *delegitimation* of United States of America in all international bodies.

Why don't you move to strike down Bill Gates before I die, when the fallout will be impossible for you in Washington, DC to handle at all? Virtually every high school educated person around the world can evaluate that the United States Government is *decrepit and illegitimate* when a prominent tycoon is running amok harming people's body, Life, and health directly by illegitimate use of US War Power (he is unauthorised to have access to US War Power as he is not a government official at all) and US Industrial Power, as he has totally gone against protocols

and restrictions of US Industrial Power using it against an individual with United States papers.

What is exactly the concern in Washington? If you do not fix the damage he has done to my body, my personal life and meta, to my career (he has starved me of all funds including legitimate income of \$620 million for work in Finance that took many years of effort from D. E. Shaw & Co. and Christine Lagarde of ECB). I have a mother in her deathbed who needs funds. I am living on paltry disability. He has sabotaged efforts for tenure both at Harvard and Stanford thus far. When will the United States Government show competence in this case. If you do not wish to secure natural rights of Americans, you are illegitimate. Why should any American wish to pay taxes at all if you do not secure natural rights against evil horrific conscienceless racial murderers and charlatans like Bill Gates? Bill Gates literally believes that non-white people are "not susceptible to pain" and is no intellectual luminary but a lifelong charlatan.

1. IT IS BLATANTLY OBVIOUS THAT ANY US WAR POWER 'GRANTED' TO BILL GATES IS SERIOUS BREACH OF UNITED STATES GOVERNMENT

I am the valedictorian of John Adams High School 1991 with A+ grades in all my American History and Government and at Princeton completed courses on Social Science requirements with political culture. We are a Multi-Ethnic Classical Liberal Democratic Republic with government whose purpose is to serve natural rights security of the American People including mine.

Bill Gates is not an elected official or appointed official of the United States Government. US War Power is territory of US Defense Department Personnel alone for the lawful use against external threats only. Who gave authority to use US War Power to Bill Gates? I want names and I want to litigate against these criminals in the United States Government?

How dare he invade my blood meta and exercise US War Power during peacetime on American Soil? I will ask Asia to pursue this issue to the ends of the Earth. I have not violated United States Law and was pursuing legitimate activity. Bill Gates' use of US War Power against me is disallowed even for *Prisoners of War*. Who in the United States Government allowed this breach ought to be tried for Treason and executed.

2. ZULF IS UNIMPRESSED WITH JUDGMENT OF WHITE PEOPLE SENIOR IN US GOVERNMENT

You really ought to have killed Bill Gates with a pistol or something simple when he breached my Blood Meta. India directly told you that breaching Blood Meta is evidence of Criminal Intentent. This was almost a year ago. You are "reluctant" to take action foolishly. If the United States of America is judged to be illegitimate in international bodies, the cost to re-establish influence and to deal with the friction with all other nations will dwarf the mild embarrassment in US Industry from taking action against Bill Gates. You do not live in a vacuum. And now you're sending troops to Ukraine and Poland against non-existent Russian military threats while I can see clearly preparation for more wars in Asia, following tradition of Japan, Korea, Vietnam, Iraq, Afghanistan. Do you want to be considered responsible world leaders or do you want to continue being cronies of a charlatan hoodlum without any respect for universal natural rights. Do you want to go with rotten

criminals like Bill Gates or do you want to maintain the lofty tradition of Eleanor Roosevelt? I don't understand what you think you are doing at all. Bill Gates is a filthy rotten psychopathic scoundrel and deceiving charlatan for five decades. You have no shame or honour at all?

3. GIVE THE US GOVERNMENT MAN WHO SAYS US GOVERNMENT WILL DESTROY BILL GATES EMPIRE A PROMOTION!

I just heard one US Government man tell Bill Gates that if he continues to consider in my deep interior, then United States Government will destroy Bill Gates Empire.

This man, I don't know his name, deserves a promotion and a raise.

That is very good.

This is right. You see, United States Government's purpose is to secure natural rights of Americans. This means privacy from considers in American people's deep interiors by anyone else. Bill Gates used US War Power to harm my Body Meta, then used Industrial Power to mince my Flesh Meta, and has been considering in my Deep Interior with malevolent intent. These are much more egregious criminal violations of natural rights than ordinary muggings, breaking-and-entering, theft, physical assaults and petty felony. His Empire *must be destroyed* by the United States Government.

He also blockaded \$620 million in earning that is my *private property*. I need United States Government to sabotage his blockades as it is my money and he has no right to attempt to control my money.

4. THE CORE OF AMERICA IS THAT WE BELIEVE THAT LIFE, LIBERTY AND PURSUIT OF HAPPINESS OF EVERY PERSON EVER BORN IS SACRED TO US

United States of America has only one core and only one core. It is our center. It is our most sacred vow. It is what makes us a great nation, and that is that we *believe* that every human being born on Earth, past, present and future, are gifted by their Creator with natural rights of Life, Liberty and pursuit of Happiness, and we believe that legitimate governments secure those rights. And that is the core of United States of America. All the other things, the playboy mansions and the jacuzzis and private jetplanes and the oil fields, all the townhouses and the rest, they are secondary. All the industries, all the factories, all the mommy's homemade apple pies and the little houses on the praries, these are secondary. All the heartland songs and all the local beer breweries, all of that is secondary. Our core is one and only one, that all human beings born, past, present and future, everywhere on Earth, are endowed by their Creator the inalienable natural rights of Life, Liberty and pursuit of Happiness, and that their security is the purpose of our government, and we respect those governments that share our values.

I do not want any confusion about this in Washington.

5. REMINDER TO US GOVERNMENT THAT YOU HAVE DISCOVERED CONQUEST AND ENSLAVEMENT POWERS BY BILL GATES IN MY DEEP INTERIOR

Today, February 13 2022, a US Government consider found that you have verified use of Enslavement and Conquest meta by *Bill Gates* in my Deep Interior. You have proof, therefore of criminal violations of my natural rights by the accused and you also know that he had illegitimately obstructed \$620 million I earned from D.

E. Shaw & Co. – \$120 million – and from Madam Christine Lagarde \$500 million. I would appreciate it if United States Government arranges to ensure that I have my money in my possession.

6. UNITED STATES GOVERNMENT IF YOU DO NOT ELIMINATE BILL GATES ALL ASIAN NATIONS WILL HOSTILE YOU

Asian Nations, Bill Gates has sabotaged my income totally and used (a) US War Power, (b) US Industrial Power, and (c) Extremely Powerful Black Magic that will kill me eventually, and damaged my body and mind directly for fatality. United States Government is lying to you. They do not secure natural rights of Asian-Americans here when Conspirators for White Racial Dominance World Orders like Bill Gates break all national and international law. United States Government, unless you eliminate Bill Gates I will die from these wounds. You will no lie to Asian Nations and pretend to be friendly and simultaneously allow Bill Gates prominence, aid and support. You better choose right now. I am of Asian Noble Origin. I will not watch while United States proceeds to harm 4.5 billion Asians as you have done to Native Americans. I know that slavery and colonisation of non-whites is directly the plan of Bill Gates.

7. UPDATE FEBRUARY 14 2022

Bill Gates is attempting to exercise powers to destroy my body meta totally with US War Power, US Industrial Power, Black Magic Power, and used other powers to starve me of all legitimate income. He believes that I will not be able to talk at all after a while and prevent Stanford University and Harvard University from offering me tenure for my great work. Now LifePath employees Jasmine Sackey and Mike had already tested me for Covid, so there is no issue of Covid. I want to record my statement that I am quite aware of the murder game of Bill Gates, and I want the world to know that if I perish at all *it is murder by Bill Gates* and has nothing to do with Covid.

Thank you,
Zulfikar Moinuddin Ahmed
