ZULFIKAR MOINUDDIN AHMED

Zulf, how long can passion last?  
that passion is normal darling. work and world around are important to some extent and love is more important. but that tension is not problematic. i don't think work is necessarily more important  
In general, I think that the most important thing for us is precisely such moments when you forget about everything  
passion of this sort lasts not long for most people BECAUSE most people's self-development is too primitive today  
well for people who are refined, passion does not have conflict with the world at all. but it's not automatic. people need to actually see the world in an unorthodox way for this. the demands of the external world are not always valuable enough at a deep level  
Well, when you are one with your loved one, what could be better? well together physically? that's not so important in the end. there are states when the beloved fills the cosmos and proximity is not irrelevant. but those are mythical. mundane relations need physical touching  
proximity is necessary for basic romantic relationship. but there are much higher levels  
the most ideal when you feel good in intimacy and spiritually  
that's reasonable. did you hear "elastic heart" of sia?  
yes, I heard it, so I'm wondering how to understand the phrase: "I have a pliable heart"  
good. the song is about the ways in which the heart of the woman has to engage with the world where she seeks love and faces difficulties where some of the men hurt her and she is resilient and still seeks love after failures  
this song is about the endurance of a good heart that loves and gets hurt but does not become bitter  
you see, when you explain to me everything becomes clear at once))))  
this song is about me then)))  
its about you, its about a million women and a million men too.  
this is part of universal human condition darling  
Well, I don't know about everyone and I judge only by myself  
please me with your photos)) are there any that I have not seen?  
well then learn about everyone. some things you share with every human being on Earth. the need for affection, touching, care,

kisses, hugs is universal. men want it, women want it and it's  
 universal.  
 I will already know that these feelings are universal for both women  
 and men  
 you have a very interesting tie, is it pink to the point?  
 in fact CARE, PLAY are two of the basic subcortical emotion sys-  
 tems along with LUST.  
 yes its a pink tie  
 looks very good))  
 there are four others: RAGE, FEAR. thank you. i think it goes  
 well with my dark blue shirts  
 forget the others. anyway, PLAY, CARE, LUST are universal emo-  
 tion systems. they activate when any two people get together  
 and accept each other at all  
 when we talk to you I forget about everything  
 that is not abnormal either, you are dealing with novelty so your  
 mind is absorbing something new. it will wear off when your  
 mind habituates to some equilibrium. i am a good man but  
 until i hear from england i want you to consider this contact  
 strangers in the night passing time together  
 i simply cannot promise anything till i am sure of my earnings and  
 it's best to get to know people and enjoy the moment  
 you are a very good man and do not promise what you are not sure  
 about, this is very honest)))  
 good. yes i am extremely high on truthfulness, probably 99th per-  
 centile on earth  
 this is wonderful  
 do you want me to show you my new thing?  
 it is one of my strengths. i am not financially successful at the  
 moment, and take great pride in my virtues and Character.  
 show me  
 no vids please dear. i dislike them on this site  
 sorry forget about it  
 no worries. i don't watch any vids at all and i don't want you to  
 feel insulted or belittled. it is just policy  
 julia are you there darling?  
 ok i will return later hope you are having a joy filled day. i have  
 some things to do. be well  
 I'm here too) did everything that you planned?  
 some yes. still reading. do you find things we talk about valuable?  
 listen to sting "shape of my heart"  
 every sentence in our dialogue is valuable to me as you are valuable  
 to me  
 that is great honour and i am gratified. your soul has nobility.  
 value it as it is far more precious than you can even imagine. it  
 is hidden diamond within  
 this expression of value, this is noble  
 "shape of my heart" is from film LION

so what do you want to do exactly?

do you have any suggestions?

offer?

depends on what you think is the most important thing in all of existence. do you know what it is for you?

I think it is important to find your own meaning for yourself in order to exist in this world 18 hours ago did you get my mail? 18 hours ago yes i got your mail. let me try this again. ever since you were a young child to today, what is the most important thing in all of existence for you? 18 hours ago love. If you take the period of childhood, this is love for parents, for your pets haha, sorry if this sounds funny, I have always loved animals. when there is someone to love and to take care someone it gives the desire to live 18 hours ago are you sure about this? the most important thing for you is love? be sure about whatever it is. your purpose of life on earth is to love? 18 hours ago the most elementary thing about love is to care for the well-being of all sorts of things, people, and such and their flourishing. is this what is most important in all of existence for you? 18 hours ago there is no rush. you can think about it and tell me another day too 18 hours ago and what is your meaning of life? 18 hours ago meaning? i believe i am on earth to transition human race to a higher level of civilisation. i have great love for my beloved people the human race 17 hours ago i mean the most important thing 17 hours ago the most important thing in the universe is life 17 hours ago i won't go into my faith but i love humanity in all its history 17 hours ago killer maniacs there are many bad people in the world 17 hours ago very tiny percent. less than 2-317 hours ago they cause a lot of anxiety but bad people are rare 17 hours ago and i am not a martyr. i am quite selfish when dealing with individuals 17 hours ago selfish in terms of defending their interests? 17 hours ago i think you need to find your scale of love. some people want love of family, community, country, world. i am world type. i treat all the smaller groups as distractions and give my gifts only at the world scale where i am good 17 hours ago don't you want to become a politician? 17 hours ago why would i want to do that politicians onlt max at nation scale 17 hours ago you see i KNOW that only at 8 billion level i have something to offer. i would handicap all my dreams by being a politician 17 hours ago yes, it's definitely a pity that there are no world politicians 17 hours ago hehehehehe you're talking to one darling. it's not any official position 17 hours ago why? 17 hours ago i don't care who is running countries. i email United Nations on how to change the world order 17 hours ago never mind. i have my ways 17 hours ago what if the whole earth became one country? lol 17 hours ago i tried to abolish alll nations for a republic for a few years. it was a failure. i won't do it again 17 hours ago the

problem is that nationalism has a lot of institutional support so if you go to global scale you're on your own 17 hours ago i did not understand that for a few years. then i made myself at home with slamming the United Nations directly with whatever i feel like 17 hours ago i told them about my childhood, charmed them with anecdotes made great speeches about my beloved people the human race how I adore you and so on 17 hours ago and then? 17 hours ago it's all just emails and got the attention of england finally because my world order plot looked good. then i asked them for a special attache job for english royals 17 hours ago they agreed? 16 hours ago they want to do it but they have to examine the power of bill gates which has complexities. bill gates had piut in a great deal of money into a war in china and he is harming me for testing his powers as well 6 hours ago I completely agree with you. have you heard about news in ukraine? 5 hours ago julia do you have a way of communicating with me outside this site? 4 hours ago i write PDF and there is no way to share them with you here 4 hours ago unfortunately not 4 hours ago can I ask you a question)? 4 hours ago yes 4 hours ago What do you love and appreciate in a woman? 4 hours ago many qualities dear mostly nobility of the soul and being able to grasp the beauty of existence and its tragedy in a refined manner. of course I love affection and sexual pleasures too. but mostly for me it is a finer sense of deep existence that is not shallow 4 hours ago it's so romantic)) what do you like about me? 4 hours ago you have some nobility in your soul and you are curious and intelligent and have some sexual maturity which is better than i had at 26. i was married at 26 so i had more experience than you in homebuilding then 4 hours ago Sticker 4 hours ago What are you dreaming about? 4 hours ago i am not dreaming about anything. i am fighting an effort to destroy and kill me dear 4 hours ago I dream of a happy family 4 hours ago Maybe you want to ask me a question?) I'll give you the answer to everything 4 hours ago i will think of those. happy family is not a problem if i survive, with you or someone else for me. my ex lover sine jensen thought i would be a great father. i have bigger problems right now 4 hours ago Maybe I can help you somehow? 4 hours ago well let me try to assist you instead. you just want a happy family with a good man with good financial security, how many children? 4 hours ago you are now 26. say you are 36. you are married now with an american man. you moved to america. tell me what you see 4 hours ago I would like to have two children, a boy and a girl 4 hours ago how many children do you want 4 hours ago more 3-4. two is not as good for them. i have three siblings. my sister died but it's too lonely during childhood to have only one sibling 4 hours ago it is possible and 3-4 I do not mind)) 4 hours ago by the way dear, can you please show me your photos? I

will be very pleased and interested 4 hours ago ok forget about me. suppose now you find a good man who works in finance in new york and you love him. and you move to new york. you live in upper west side in Manhattan. your love is good. you have 3-4 children. this is good?

my husband's opinion will be very important to me

sure. say you love your husband's opinion. it's not me. its some good man. are you happy with that? see if that is what you want i will assist you and you can find a good man in that situation. 4 hours ago for me a good man is you 4 hours ago I'm not interested in other men, I'm interested in you 4 hours ago will you show me your photos? 4 hours ago well don't waste your youth being stuck with me if your happiness is much more easy to accomplish with another man. this is not a test of loyalty darling 4 hours ago i am a serious man. you are young i will help you because i like you 4 hours ago you don't want to be with me ??? why are you saying that 4 hours ago i am saying this because i am a mature responsible 49 year old gentleman. i want what is best for you 4 hours ago

if you say your dream is X for happiness then why should i think it is Y 4 hours ago Sticker 4 hours ago for me happiness will be with you, it will be wonderful and incredible 4 hours ago I want to be with you 4 hours ago You are here ? I'm going to the toilet I'll be back soon 4 hours ago ok that is a wonderful sentiment but I will do some research on single men in finance right now and estimate likelihood of happiness with them. i am risky financial future and i want to ensure you are rational 4 hours ago There are 742,000 single men and 729,000 single women in New York. Let's see. You would be considered pretty an 8-9 by most men. This means you will be in demand for dating by almost all single men. Pay attention. Let Zulf help the lady here 3 hours ago I do not understand why you tell me about other men? I do not understand 3 hours ago darling we are not married. you are single and i am single. i want you to be absolutely sure that you are doing what you need to in order to achieve what you want 3 hours ago I like you, why do I need other men. if I have you 3 hours ago because you are single and i am your friend. i am showing you your options. you want a happy family in ten years with a financially secure man who loves you yes? 3 hours ago finances don't matter to me, you know. for me the main thing is a man who will love and respect me 3 hours ago well i have news for you: of the 749,000 single men in New York City, around 70% are guaranteed to love and respect you. they are mostly professional gentlemen 3 hours ago do you like me? 3 hours ago

do you like me? 3 hours ago of course i like you. but you are 26. i am a gentleman 3 hours ago and I like you, why do I need other men. if I have you 3 hours ago because liking is not enough

darling. i like literally hundreds of women 3 hours ago you have to understand i am used to meeting a lot of people in new york from early age. so i know that you can like a hundred women and none of them are right for a life partnership 3 hours ago it may be that we are right for each other. but I want you to think through your options. what you are asking for is possible with a lot of good men in New York City. their financial condition is less risky than mine 3 hours ago I have a pleasant surprise for you) do you want to see it ...? I warn you that it is very hot 3 hours ago fine. but are you listening to the options I am talking about? 3 hours ago yes I listen, but I have a feeling that you do not understand me. I want to be with you 3 hours ago What do I need to do to make you happy? 3 hours ago in order to make me happy i want you to examine your options in new york city. young professional men, with good jobs and good income. we want what is best for you 3 hours ago

i was in finance for many years. these are good boys who are gentlemen. they will all love and respect you if there is a real bond that forms 3 hours ago I don't understand why you want to seduce me with other guys? 3 hours ago well do you understand that i am 49 and i have seen thousands of couples in my life most of them happy? 3 hours ago now knowing what i know about the world my responsibility to a young 26 year old beautiful girl who seeks a happy life is what? 3 hours ago i am not a 20 year old jealous boy darling. you need to understand that 3 hours ago but you are the man I like. I like such men who are scarier than me, I really appreciate it 3 hours ago look darling let me tell you a story. years ago I loved a beautiful princess. she was tall and blonde and beautiful. well she was not a princess but she was my princess. we were happy and one day she left to go to denmark from new york. i was like you. i loved her and expected her to return 3 hours ago some years later i flew her over to san francisco. i had a great job and i spent a huge amount of effort to find a white gold ring for her. and i wanted her back with me. then i found that she had already moved on. she is now happily married to another man and has a child. i was heartbroken. 3 hours ago i was devastated and forlorn but i loved her no longer as my lover but as a person and had no resentment. i realised that i am happy for her. she gave me a beautiful love that she could. and i grew stronger in the end and wiser 3 hours ago so i am different from when i was younger. i realise that it is okay for beautiful women to find happiness with other men, even when they were my own lovers 3 hours ago do you understand? 3 hours ago and how did this story end? 3 hours ago so I understand 3 hours ago You are here? 2 hours ago she is happily married with a child in denmark. she lovee me in a different way than lovers now. 2 hours ago what she said about me then were right. i did great things in theoretical

physics and on human moral nature. she was sure i would do great work 2 hours ago she tells others of how well i treated her. she was good for me 2 hours ago

Julia sent you a video (viewing costs 50 credits) 2 hours ago do you like how i look here 2 hours ago she tells others of how well i treated her. she was good for me 2 hours ago do you like how i look here 2 hours ago you are a beautiful woman and i do not worry about your looks. you look good in all your pics. 2 hours ago julia are you there? 2 hours ago darling, please show me your photos 2 hours ago

You sent a photo to Julia 2 hours ago listen to this song julia. leonard cohen "famous blue raincoat" 2 hours ago you are very beautiful and beautiful)) can you please show me more of your photos, such as your photos, family photos, photos of housing, cars 2 hours ago well, I'll listen now 2 hours ago i don't have a lot of photos of that type 2 hours ago show me the photos you have I will be interested 2 hours ago

You sent a photo to Julia 2 hours ago good))) show something else 2 hours ago handsome)) show more photos 2 hours ago are you romantic 2 hours ago what do you mean by 'romantic'? 2 hours ago to make a woman happy 2 hours ago it means different things to different people. i am not formal in romantic, i am a gentleman 2 hours ago a gentleman always wants to please his lady, to fulfill her wishes) Would you like to know mine?)

well a gentleman does what is right

we are friends getting to know each other darling. but do tell me know your desires

but that's interesting where did you get this idea that a gentleman always wants to please his lady? 2 hours ago it's like saying a lady always wants always to please her man. that's wrong. 2 hours ago I saw my favorite perfume here on the site , I will be happy if u order for me them 2 hours ago i will wait till i hear from england

so you really believe that gentlemen want to please their ladies above all?

yes.i think so

I'm going to eat. I'll be back soon

ok that is wrong

bon appetit

i think it is absurd to seek any situation at all where anyone else always wants to please you. it's like asking for a woman to always want to please me. that's not rational. even a slave woman would not do that

You are here? I already ate

good. this is a subtle and interesting issue. when in love, lovers do please each other. that's a seeparate thing from ladies and gentleman. those have to do with something else, a RECI-PROCITY in the calculus of love

but it is almost never the case that ladies and gentlemen always  
want to please each other at all costs. that's impossible  
yes i agree with you  
yes i agree with you  
I have a very good mood))) do you want to relax?  
I have a very good mood))) do you want to relax?  
well i am most pleased that you are in a good mood darling. what  
do you have in mind?  
Do you like massage?)  
well massage is something that is physical. i sometimes get a  
swedish massage in new york or san fran. it's not cheap but  
they are good  
I love massage))) do you want me to give you a massage?  
that would be quite impossible dear. maybe one day when we are  
in san francisco together it will be possible  
What zone do you want me to massage you?)  
i will tell you when you are in my physical proximity. i don't do  
internet virtual messages
