

**NOVEMBER 12 2021: US EXECUTIVE SHOULD AUTHORISE  
USE OF MILITARY FORCE TO ELIMINATE TRAITORS BILL  
GATES AND HIS CO-CONSPIRATORS**

ZULFIKAR MOINUDDIN AHMED

Bill Gates and his Co-Conspirators for the overthrow of the United States of America ought to be considered for Treason Laws for significant existential threat to the Nation. The threat is obvious, since they had sought to produce a world order where US Declaration of Independence Preamble is negated by their ideology of White Master Race and elimination of Natural Rights for all non-whites. This is not a theoretical issue since United States Executive Branch serves a population of 330 million with 40% non-whites including myself.

The Nation is put in grave danger by Bill Gates with enormous amounts of evidence for harm done to myself, an Asian-American. Conspiracies that threaten the Nation existentially cannot be ignored. The correct course for action is review of Treason Laws, and Authorisation to use Military lethal force to kill not only Bill Gates but all his rich wealthy backers who had been preparing with gated compounds and white-only associates to enjoy ruling the world as White Masters with demands for impunity in violating Natural Rights of non-whites in the Nation and abroad. These are not frivolous plans but quite serious. The nation is put in jeopardy by their nefarious and malevolent plans. I am a victim of grave harm to my life, livelihood, health by direct action in meta power that is well-known now to UN Security Council, to US Government Executive Branch, to Finance, to many foreign nations including China, Russia, England and France.

I would recommend lethal strikes by air power to totally physically eliminate these enemies of the American People and threat to the existence of the Nation.

Not doing this is a dereliction of duty for those who swore to defend this Republic, and a grave betrayal of the trust of the American People.
