

**BILL GATES IS KNOWN TO ROT THE FLESH OF HIS
VICTIMS BY BLACK MAGIC**

ZULFIKAR MOINUDDIN AHMED

At 7:27 AM on November 11 2021, I learned from a senior experienced US Executive Branch official that he has had many decades of experience and knows that Bill Gates rots the flesh of his victims using black magic. I want the entire US Executive Branch to totally purify itself of all his friends and acquaintances immediately. This is vile corruption of extreme evil and United States Government must be purged of all his influence immediately.

A Multi-Ethnic Classical Liberal Democratic Republic cannot stand tainted by this extreme evil. The US Executive Branch must purge itself of all Bill Gates influences immediately.
