

## THE PROBLEM WITH AMERICAN WHITE WOMEN AS ROMANTIC PARTNERS

ZULFIKAR MOINUDDIN AHMED

Perhaps I have a bad attitude and perhaps not. I believe that I am above 85th Percentile of 'women quality' for appropriate romantic partners. In other words, I am quite sure that I would reject 85% of American white women as potential relationship material for me. Now American white women do not see things that way, and they do not consider me eligible mate material perhaps even at 50th percentile. I don't particularly care, because I can go to Valente and choose among women that I think are higher than 85th percentile in actual quality and they are actually much more pleasant and less difficult to deal with. It works out for me, because I would not accept less than 85th percentile in quality women in America anyway.

### 1. MY GENES ARE WORTH MORE THAN 85TH PERCENTILE AMERICAN WHITE WOMEN

I am the Greatest American Genius with my Four-Sphere Theory exceeding the greatness of Albert Einstein and Erwin Schrodinger. Therefore my genes are worth more than 85th percentile American White women for romantic pairing. I am a Princeton Man, and D. E. Shaw & Co. owes me \$120 mn, and ECB/Madam Christine Lagarde is granting me \$500 mn. Bill Gates has managed to use illegitimate power to blockade my income.

So I do not consider anyone lower than 85th percentile of American white women in quality as appropriate for me. There is nothing strange here. My preferences do not match the preferences of American white women. No one is unhappy if I do not consider them.

### 2. GREAT NOBLE MEN TREAT PEOPLE WITH KINDNESS AND RESPECT

I am of Aristocratic line extending 3000 years, and it is quite clear to me that great and noble people treat people with kindness and respect and it is the ignoble – like Bill Gates – who show hubris and arrogance towards people. I estimate myself quite highly without any need to denigrate anyone at all. Well I will denigrate Bill Gates as retaliation for his insolence.

This we see from Shelley's Prometheus who is described thus:

Gentleness, Virtue, Wisdom, and Endurance— These are the seals of  
that most firm assurance Which bars the pit over Destruction's  
strength; And if, with infirm hand, Eternity, Mother of many  
acts and hours, should free The serpent that would clasp her  
with his length, These are the spells by which to reassume An  
empire o'er the disentangled doom.
