

ZULF WILL MARK US PENTAGON WAR CHIEFS AS CONSPIRATORS IN ASIAN GENOCIDE PLANS

ZULFIKAR MOINUDDIN AHMED

I gave plenty of warning to Pentagon War Chiefs. As you will see, Pentagon War Chiefs, your life is finito.

All Asian Nations, I hereby accuse United States Pentagon War Chiefs for an Asian Genocide Plan. Their guilt is clear, since Bill Gates has explicitly planned death, destruction and misery and erasing Natural Rights of Asians, and yet Pentagon War Chiefs were green lighting him to kill an American, myself rather than the criminal.

Mark these as plotters of Asian Genocide following the Manifest Destiny Doctrine in America. Arrange that they be killed when convenient to avenge my honour as Asian Noble.

Your time for plotting Asian Genocide had gone from Hiroshima and Nagasaki to Korea and Vietnam and Iraq and Afghanistan. Your Cold War rhetoric will not save you this time Evil Ones.
