

WHO ARE RESPONSIBLE FOR AUTHORISATION TO USE MILITARY FORCE AGAINST BILL GATES?

ZULFIKAR MOINUDDIN AHMED

- General Mark A. Milley
- General James C. McConville
- General David H. Berger
- Admiral Michael M. Gilday
- General Charles Q. Brown Jr.
- General John W. Raymond
- General Daniel R. Hokanson
- Admiral Karl L. Schultz

Gentlemen, Pentagon was given responsibility from United States Executive Branch for enforcing many death penalty worthy violations against the murderous criminal Bill Gates. Unless you all want to be held personally responsible for failure to execute Bill Gates and be implicated in conspiracy to commit War Crimes and Crimes Against Humanity for which United Nations Security Council has already judged him to be guilty and put to death, you ought to give me the specific list of Pentagon leaders responsible for the responsibility so I can mark them as targets for having personally harmed me and requiring punishment.

Bill Gates cut into my Blood Meta and destructively invaded my Deep Interior causing massive damage to my Life, Liberty, Pursuit of Happiness and sabotaged my livelihood by obstructing \$620 million of my private property. I consider those tasked with executing him by lethal military force to be derelict in their duty to the nation, to international law, and as worthy of my personal vendetta for harming my person.

1. AH YOU WANT TO KNOW ABOUT THE AMERICAN WHITES QUESTION

Well I did not like *The Jewish Question* all that much and formulated *The American Whites Question* which is a much better Question. You see, American Whites are troublemakers from my point of view. I am an Archangel with lives spent in many Angelic Worlds, and have been here in human form since 1973. I have immigrated to America in 1987. And then I briefly reviewed the issues of American Whites. There are various problems I found. American Whites wiped out the Native Americans to 99% which is bad. We Archangels mark that as very bad. Then you enslaved all sorts of people in Africa for a while and shipped them to America as slaves for all manner of menial labour for free. That we did not appreciate at all. Then we see that after using nuclear weapons against Japanese you routinely, mostly on false contexts, began destructive wars in Korea, Vietnam, Iraq, and Afghanistan. This leads to *The American Whites Question*. We want to see some changes or we will have to extinct American Whites altogether.

2. MOST AMUSING LET ME SHOW YOU AN ARCHANGELS' POINT OF VIEW

I see that some of us think they rule the world. Well whoever you are, your use of 'the world' is rather amusing to an Archangel.

Why would someone sacrifice their lives and dedicate their sufferings for Natural Rights of people in China and Burma and Russia, and Belgium and Switzerland, and Kenya, and Nigeria, and Mexico when they have no relations there?

I am an Archangel. Archangels see the world a bit differently. I will strive to get you to see my way. My natural view of Earth is a bit different from many others.

The Coldplay song *Politik* is closer to an Archangel view of the world.

Look at earth from outer space
 Everyone must find a place
 Give me time and give me space
 Give me real, don't give me fake
 Give me strength, reserve control
 Give me heart and give me soul
 Give me love, give us a kiss
 And tell me your own politik
 Open up your eyes
 Open up your eyes
 Open up your eyes
 Open up your eyes
 Give me one, cause one is best
 In confusion, confidence

I give me piece of mind and trust
 But don't forget the rest of us
 Give me strength, reserve control
 Give me heart and give me soul
 Wounds that heal and cracks that fix
 My love tell me your own politik
 Open up your eyes
 Open up your eyes
 Open up your eyes
 Open up your eyes
 And give me love over
 Love over, love over this, ahh
 Give me love over
 Love over, love over this, ahh

You see, your 'the world' is very small to me. I have lived in millions of worlds just like yours, this primitive Angelic World, a small blue planet on the side arm of the Milky Way, far from Civilisation, among rude peoples. This world has a quaint charm, a certain *je ne sais quois*. I love the human race. One day in your maturity you will come to know of some of the other worlds. I have strict quarantine on Human Race to this Solar System. Your manners are atrocious and you will offend other Angelic Races until you gain a bit of refinement.

3. THERE IS NO WHITE RIGHT TO CUT INTO NON-WHITE DEEP INTERIOR

Cutting into Deep Interior of anyone is a death-penalty worthy violation of a person's natural rights. Since US Declaration Preamble declares security of natural rights of Americans is the purpose of American Government, and since US Declaration Preamble is part of US Constitution, it follows that there can be no laws that allow cutting into deep interior of anyone as a right. Such a law would be rejected as Unconstitutional in two microseconds and therefore cannot exist.

I am a Princeton University trained mathematician; I graduated magna cum laude in 1995 with the prize for the most original thesis in Mathematics that year. I am quite extremely competent at trivial rational deduction. I do it in my sleep.

4. GENERAL CHARLES Q. BROWN JR.

Sir, your heart is in a good place in wanting to assist, but the problem here is not that I am a disadvantaged non-white man in distress. The problem here is that the United States of America is a Multi-Ethnic Classical Liberal Democratic Republic with many good laws to prevent the sorts of problems I am facing, but US Executive White People are totally incompetent and do not enforce the laws whenever they feel like it. That is a failed state General Brown. Why don't you arrange that your White Colleagues at American Executive Branch enforce laws – especially criminal laws with death penalty but also other civil laws that have allowed Bill Gates to make Jabba the Hutt look like a squeaky clean law abiding citizen? There are thousands of death penalty violations Bill Gates has done against myself alone. White People in American Government do not seem to believe that laws need to be enforced against him. This is a problem of United States Government deep corruption.

5. APPEAL TO GERMANY, FRANCE AND ENGLAND FOR ASSISTANCE

Senior Non-White American officials ought to appeal for direct assistance of Germany, France and England since these three countries are extremely concerned about racial men like Bill Gates who use various harmful black magic and other racial malevolent meta to harm non-whites. Sweden has special expertise. Bill Gates and his wealthy white backers want return of slavery and colonialism and white Master Race type order. They are doing it by meta powers. Don't worry too much about anything. Germany is in particular strongly opposed to racial order from America.
