

UM NO BILL GATES YOU ARE BEHOLDEN TO ME AND I AM NOT BEHOLDEN TO YOU

ZULFIKAR MOINUDDIN AHMED

Bill Gates you can keep repeating "I am your White Overlord" until the end of time but in fact I don't owe you and you owe me. See, I have my own company, Thysself Inc. and I want to expand that. I was *never* your employee and you don't own my company, I own it. I am not your slave bitch. I am an American. I will hold American Government personally liable for not killing you. But you have \$2 billion invested in my Medium Frequency Strategy being traded by D. E. Shaw & Co.

So why don't we get things straight here. You owe me. I don't owe you. If anyone is going to be Master here it is myself and not you. Next time you want to "White Overlord" someone, pay first. Otherwise you will have all your bones broken and your body burned in gasoline to public applause.

1. WHAT IS A WHITE OVERLORD?

I was not completely sure what a *White Overlord* was. You see, I was born in 1973, and UN Universal Declaration of Human Rights was already very old from 1948 when I was born. I learned about abolition of slavery in high school in New York 1987-1991. They have some black and white photographs and other memorabilia from ante-bellum South. Bill Gates seems to suggest that he can use some black magic powers to harm my life and health and this will give him some sort of Overlordship over me. That's not even remotely possible, and for this insolence, I will blame the United States Government for not neutralising this deranged racial murderer.

But I decided to rename some orchids *whitus overlordus* because they looked so pretty and beautiful arrangement. Magnificent.

See this is a reasonable white overlord right here.

2. UNITED STATES IS WARNED THAT WHEN I AM ACCOSTED BY CRIMINALS THEY HAVE TO RESPOND

United States Government is beholden to me to respond now to the claim that Bill Gates is an enslaver who believes that white people are naturally *overlords* of non-white people. This is a *crime against humanity*. I will immediately inform United Nations that United States Government is supporting *enslavers* and good luck with the dealings with the international legal community on this.

UM NO BILL GATES YOU ARE BEHOLDEN TO ME AND I AM NOT BEHOLDEN TO YOU3

3. NOW FOR THE LED ZEPPELIN 'IMMIGRANT SONG'

Remember folks, I am the immigrant from 1987 in America, and not Bill Gates. It's the *Immigrant Song* and so *we* the immigrant are your overlords.

Ah-ah, ah!
Ah-ah, ah!
We come from the land of the ice and snow
From the midnight sun where the hot springs flow
The hammer of the gods
Will drive our ships to new lands
To fight the horde, sing and cry
Valhalla, I am coming
On we sweep with threshing oar
Our only goal will be the western shore
Ah-ah, ah!
Ah-ah, ah!
We come from the land of the ice and snow
From the midnight sun where the hot springs flow
How soft your fields so green
Can whisper tales of gore
Of how we calmed the tides of war
We are your overlords
On we sweep with threshing oar
Our only goal will be the western shore
So now you'd better stop and rebuild all your ruins
For peace and trust can win the day despite of all your losing
Ooh-ooh, ooh-ooh, ooh-ooh
Ooh-ooh, ooh-ooh, ooh-ooh
Ahh, ah
Ooh-ooh, ooh-ooh, ooh-ooh
Ooh-ooh, ooh-ooh, ooh-ooh
Ooh-ooh, ooh-ooh, ooh-ooh

That's right, American Government, peace and trust can win the day despite all your losing. Great song.

4. WHERE I STAND

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed.

See I stand with the founders here exactly. I might be the last American on Earth, but I will not yield. If American Government is dragged to the abyss by Bill Gates and falls far below the lofty heights of the founding of the Nation, then let them fall. I will replace 1.4 million white people in government with another 1.4 million Americans who can secure natural rights of 330 million Americans and let the rotten corrupt ones sort out their lives dumpster diving and soup kitchen lines. I don't give a damn about them the moment my natural rights are touched.

5. BILL GATES IS 66 AND PSYCOPATHIC KILL HIM

I am not enthusiastic at all about keeping United States Government alone. Bill Gates has to be *killed* not given speeches. He cannot understand justice and goodness and rights. He is a Demon. He has to be killed. Either kill him right away or prepare to be extinct. You are birds of a feather. That is why you are not killing him. Every single country in the world would have killed him, not just England and Germany and France, but every country in the East. But you, the rotten scumbag corrupt white people in American Government, cannot because you are too low to have any sense of what the writers of United States Declaration of Independence were talking about. You need to be replaced. You're rotten to the core. If you don't conform exactly to US Declaration Preamble, you don't need to exist. You need to go.
