

# NO BILL GATES WHITE IS NOT SYNONYMOUS WITH CIVILISED

ZULFIKAR MOINUDDIN AHMED

Bill Gates you are not remotely close to being Civilised. You are a murderous evil malevolent beastly uncivilised individual who knows nothing about being Civilised at all. Just so that we are clear, Civilised is Civilised and White is White. You are a murderous lawless criminal who is not Civilised at all.

## 1. BASICS OF CIVILISATION

In the past Civilised meant one sort of thing. Today, Civilised means a modicum of understanding Natural Rights of others and considering it criminal to violate these. Since Bill Gates considers Natural Rights of most people in the world to be claptrap, he cannot be considered Civilised.

## 2. THE RENEGADE CRIMINAL BILL GATES NEEDS TO BE BROUGHT TO JUSTICE

I implore Harvard and all other universities, all government agencies, and all organisations of the Civilised world to recognise that Bill Gates is an evil criminal who uses metaphysical powers to harm American non-white eyes. He is not amenable to warnings and only understands power. United States Government must secure my Natural Rights as it is obligated to by contract with me since I am a Permanent Resident of the United States. Please use all your clout and powers to defeat and destroy this grave threat to Human Race and the United States of America.
