

## A LETTER TO QUEEN ELIZABETH

ZULFIKAR MOINUDDIN AHMED

Dear Queen Elizabeth,

I wish to request a royal boon from Your Highness. It is a simple request. I would seek an account in Bank of England completely secured from knaves, robbers and thieves. I want it to have the following designation.

Bill Gates has made it well nigh impossible for United States Government to easily secure any of my private property, which is \$620 million. I do not mind if I cannot access it immediately but I want to know that it is safe somewhere. David E. Shaw and Christine Lagarde can compensate Bank of England.

Sincerely, Zulfikar Moinuddin Ahmed
