

**OPEN LETTER TO THE UNITED STATES GOVERNMENT
FEBRUARY 10 2022**

ZULFIKAR MOINUDDIN AHMED
ZULFIKAR.AHMED@GMAIL.COM

United States Government. The issue is very simple. My physical body is not robust enough to withstand artificial power exercised by Bill Gates extremely destructively for more than around two years. He had penetrated my Deep Interior and systematically destroyed my ethnic meta which had many elements necessary for survival with the explicit purpose of killing me. I have heard him say a number of things in meta which suggests that he

- Has been liquidating Americans by arbitrary whim from early 1970s
- Does not believe that non-white people are susceptible to physical pain and therefore uses brutal and harsh tools against them
- Believes that white people exist to cause misery and destitution and deprivation for non-white people
- Believes that white people's happiness is anti-correlated with nonwhite people's happiness contrary to empirical truth
- Has routinely invaded the eye and personal meta of his industrial rivals to destroy their interiors and induce suicide
- Believes that because he is big he has the right to kill 'little guys'

United Nations Human Rights Council Consider found that he had explicitly told David E. Shaw & Co. of his intention to kill me, and I found out that that is his reputation in industry.

The Royal Menders of Queen Elizabeth had done some considers when I thought that England might safeguard my Life and Liberty and ensure safety for my earnings from this thoroughly evil criminal Bill Gates.

1. ONE OF MY GREATEST DISCOVERY: EVIL MALEVOLENCE AND DECEPTIVE
CHICANERY OF BILL GATES

Bill Gates is not just a racial murderer but much worse. He is significantly worse in his morals than all the Auschwitz butchers and a confessed black magic user from his youth. He is one of the worst human beings, one of the most rotten malignant criminals and worthless miserable scumbags that the human race has ever produced.

2. INVOCATION OF DUTIES OF UNITED STATES GOVERNMENT TO US
DECLARATION OF INDEPENDENCE

The US Declaration of Independence does not leave the important question of *purpose* of government to chance. In one of the most brilliant moves in history of

Date: February 10, 2022.

political thought, Thomas Jefferson and other founders wrote down explicitly the following:

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed.

In other words, the *purpose* of United States Government is to secure my Natural Rights.

Now the metaphysical activity of Bill Gates, including destructive breach of my Blood Meta, my Deep Interior, and use of aggressive powers of (a) White Racial Power, (b) US Industrial Power, (c) US War Power, (d) European Black Magic Power forbidden from thirteenth century, when I have in fact never been an employee of his at all, and have never received a single penny in compensation for work that directly benefitted him financially – such as research and development of my Medium Frequency Alpha Strategy that has been traded by D. E. Shaw & Co. of New York and where he has an investment of \$2 billion.

You see, the United States Government is not a legitimate government at all if it has difficulty deciding whether one sort of thing is a violation of natural rights or not, and in this case it is glaringly obvious that Bill Gates has had not just criminal intent but is extremely bold and aggressive about misusing powers against Americans with criminal intent.

By November 4 2020 more than a year ago, Bill Gates had done enough harm to me to have killed almost any Bengali Man. But the United States Government has not done what would be the most obvious response, which is eliminate the criminal threat to a law abiding American man when notified of the threat.

3. MY AMERICAN PAPERS

I repeatedly post my identity. My Permanent Residency expires 2031, and I have no record of violating any law at all. I am a law-abiding American. I have in the past months shown my ability to do Ph.D. Mathematics Quals problems to seek tenure at Stanford University. I have plans for Positive Psychology and Global Individual Debt.

Bill Gates is an extremely vile pathogen, a parasite, an evil predator, a charlatan, who, while pretending to be a philanthropist in his public addresses has always been since an early age an aggressive proponent of a dystopian world order of white racial dominance for the world. United States Government has an obligation and a duty to secure my natural rights against his onslaught and totally destroy him and confiscate all his assets because he has plans to harm 100 million non-white Americans and billions around the world. Unless United States eliminates

extraordinary threats to the US Constitution – US Declaration of Independence is considered part of our Constitution – for Bill Gates’ agenda is precisely to eliminate natural rights of non-whites totally and globally – then United States Government is derelict in its fundamental duty and will be found to be strongly illegitimate by world judicial bodies.

United States of America is not a strong nation the moment the government is *ambivalent* about its purpose. This is a Multi-Ethnic Classical Liberal Democratic Republic and will not be able to withstand the fallout of a Princeton educated Asian-American immigrant from Asia from 1987 being destroyed by a racial murderer in front of the world with impunity.

Bill Gates is not a reasonable man at all and is like a rabid rottweiler who does not respond to warnings. I am a rational man, can estimate that I will not even live for two more years if he is not totally eliminated because he is totally obsessive about destroying my Life, Liberty and pursuit of Happiness. He is a pure example of the sort of threats United States ought to be eliminating instead of fake threats from Middle East – for there were in fact no Muslim hijackers at all during 9/11– and Israel’s Mossad sabotaged Twin Towers to trigger two decades of wars based on fake threats.

4. UNITED STATES OF AMERICA WILL NOT EXIST AT ALL IF IT CANNOT HANDLE SIMPLE CUT-AND-DRY NATURAL RIGHTS CASES

You see, United States of America is not automatic in existence. It is a formal organisation with a charter. This charter has rational basis that is articulated in the US Declaration of Independence Preamble. Now you might think this is not a big deal and you will make exceptions for Bill Gates because of whatever reasons – he made some money, he’s a white boy, he’s popular with the people who are dazzled by a nice fancy house and a library that looks pretty but he does not actually read and understand anything, etc. But that’s not how I see you, and that is not how anyone who examines the legitimacy *for the continued existence* of the United States of America around the world will see you. They will see, instead a decrepit corrupt government that is confused on issues that are easy for children to evaluate. From Europe to Asia, to Africa and South America, in every part of the world, high school students can evaluate right from wrong. I am a good man, who has followed the laws of the nation, who is virtuous and benevolent, who was following his American Dream. Bill Gates is a pure deceptive *baddie*. And when the United States Government allows baddies to destroy good people, the writing is on the wall for the end of the United States of America, not just a re-adjustment of the stature of United States but the existence. Do not be deceived by national resources and military might. If you cannot deliver natural rights security, no one in the world will consider United States of America with great esteem. Do not mistake the source of America’s greatness. It lies solely on the Preamble to US Declaration Of Independence being the actual principle of operation of the nation. If it is not, might as well fold shop for United States of America will be gone with the wind.

5. UN SECURITY COUNCIL JUDGMENT AGAINST BILL GATES WAS WAR CRIMES AND CRIMES AGAINST HUMANITY DEATH PENALTY

Bill Gates had some cronies high up in the United States Government which led the United Nations Security Council stranded as they had judged death penalty for the malevolent racial murderer for invasion of my Deep Interior (which is forbidden by White Law anyway) and then exercising huge amounts of US War Power, massive Conquest and Enslavement meta and so on, *pretending* that I am not American. But of course the truth is that I am far more American than the miserable wretched ignorant hick illiterate charlatan Bill Gates will be in a million years.

These are my ranked Virtues by Martin Seligman's VIA-120 Questionnaire. Bill Gates was consciously practicing Evil and Black Magic from a young age and therefore I am superior to him.

Bill Gates is not an asset to the United States while I am a great asset. He ought to be eliminated immediately. His efforts are threatening my health.

7. IF I SHOULD DIE IN THE NEXT YEAR I WANT THE WORLD TO KNOW MURDERER WAS BILL GATES AND BILL GATES ALONE

Bill Gates had plotted murder, found by UN Human Rights Council consider in David E. Shaw's meta. He had aggressively pursued destruction of my life, career,

health, finances, personal life, family meta and all other things doggedly for more than a year. He *must* be considered my murderer if I should perish. He, Bill Gates, and he alone is the murderer and not Covid, not suicide, not natural causes, etc. I want the world to understand this very clearly that Bill Gates has been openly pursuing my murder by meta powers and other means for more than a year. My health is not robust enough to resist forever, and I am not impressed at all that United States Government did not blitz him with fleets of bombers and just totally destroy him more than a year ago. This lack of judgment might cost United States of America it's entire existence.
