

## ZULF'S ACCOUNT OF SEQUENCE OF EVENTS WITH BILL GATES

I offered Bill Gates some of my work on Medium Frequency Alpha maybe six months ago. He was greedy and enthusiastic about it. It turned out that David E. Shaw had learned about my Medium Frequency Discoveries in all markets and had immediately put together a group of traders to implement it, for equities. I decided to entice Bill Gates to put in \$3.75 billion into it. My fee for research and sale would be \$80 million. David E. Shaw thought that's fine. He's Finance and so am I and so I thought things were okay. I did not know at the time that Bill Gates was a murderous white supremacist zealot then. So we do some considers with Goldman where I recommend a spread trade with them. Bill Gates intervenes and forbids David E. Shaw from paying me any money at all. UN Human Rights consider later found that he told David E. Shaw that he intended to destroy and kill me.

Then afterward, he denigrated my Medium Frequency Strategy as 'trivia' and proceeded to cut up my eyes, transgress my Blood meta after using US War meta to harm my Body meta and proceed to use US Military corrosive meta in my Deep Interior.

I did call him cunt after he had already reneged and forbidden David E. Shaw from my money, which is now \$120 million. David E. Shaw agrees to pay but Bill Gates had forbidden his company with high power and he decided not to disobey and have his company be threatened.

Then Bill Gates claimed that he breached my Blood meta *because* he is white and I called him a cunt. Now I call any mother fucker who reneges on my money a cunt and a lot worse. I grew up in New York, so I don't give a damn. Then he claimed he had 'White Right' to harm my eyes, which White Law denied. So Bill Gates lied about anything that could justify his malevolent criminal evil abominable actions. In fact it was not a reaction to my calling him cunt. I of course believe that it is correct, that he is a cunt. So he was plotting my murder and destruction before I began my campaign to kill him using US Government for criminal violations of my Natural Rights.

The actual reason he wants to destroy and kill me is because I am better than him and he hates non-white people who are superior genius to him.
