

## **I INVOKE THE POWER OF HEAVEN TO CONDEMN BILL GATES TO DEATH**

ZULFIKAR MOINUDDIN AHMED

I say unto you that the most deserving of death among all men is this Bill Gates. In Washington, it is not Ted Cruz alone who knows that when Bill Gates puts the squeeze on someone usually suicide is the outcome. I am surprised that this arbitrary Tyrant who is unaccountable and murderous has terrorised our American People for five decades and Washington does not feel obligated to kill him. He has been condemned to death by United Nations Security Council already. We are a Multi-Ethnic Classical Liberal Democratic Republic, and we cannot tolerate monsters and murderers plaguing our people.

Pentagon was glib and put American People in danger in not immediately, already in July not using lethal military force to destroy him physically. United States Senate and all other agencies of the American Government are obligated to do this as well. No Republic can sustain lawless criminals disrupting the lives of its people without any accountability at all.

I hereby sentence him to death by any means.

### **1. LETTER TO ALL NATIONS NOVEMBER 18 2021**

Dear Nations of this World,

I, Archangel, have the authority to invoke the Power of Heaven. I do not do this often and I do not do this lightly for the laws of Heaven are sacred and they are restrictive. Dear Nations, I invoke the Power of Heaven today and condemn Bill Gates to Death. I wish you all to consider my will as clear and without doubt. Bill Gates has been condemned to death by United Nations Security Council. I will not hold it against you if you do not immediately implement my will on this matter, but it is my duty as Archangel to inform all of you.
