The United States Government had found that Bill Gates had put his Sexual Organ in my Deep Interior and will consider prosecution.

I am most displeased. No one in the world has a record of being violated in meta in their Deep Interior. Bill Gates ought to have been destroyed immediately after India told United States Government that breach of Blood Meta is certain sign of Criminal Intent.

I am displeased because my life is extremely badly hurt because of *malfeasance and constant complicity of United States Government with Bill Gates without doubt one of the most horrific evil disgusting destructive Conscienceless savage barbaric murderous vile worthless miserable criminals who had ever been born on Earth.*

1. UNITED NATIONS SECURITY COUNCIL HAD PUT BILL GATES TO DEATH  
FOR WAR CRIMES AND CRIMES AGAINST HUMANITY LONG AGO

*Let me find the first records that United Nations Security Council had put Bill Gates to Death for Crimes Against Humanity and War Crimes.*

*Dear UN Human Rights Council,*

*I am writing to report that my country United States of America is totally incompetent at securing Natural Rights and does not kill malevolent murderers for several decades while they are on murderous spree that is incomparably worse than anything ever done or recorded by Nazi War Criminals in the Second World War. I would like charges brought against the United States Government because they KNEW that Bill Gates was violating my Natural Rights, committing War Crimes, committing Crimes against Humanity, for more than a year and they did nothing much about it except tinkering. The murderer was not even STOPPED, or ARRESTED. He ought to have been slain immediately but he is continuing and continuing.*

*Thanks,*
