

**ZULF PROMISES TO COLLAPSE AMERICAN EMPIRE
TOTALLY IN WEEKS IF BILL GATES IS NOT KILLED SOON**

ZULFIKAR MOINUDDIN AHMED

Let me be really nice about this. My life, liberty, pursuit of happiness and American Dream was illegitimately hurt by this racial murderer Bill Gates. Zulf will collapse your Holy Roman Empire on Earth in weeks if he is still alive. Do I make myself clear White People in American Government? Are you able to process this properly. My life is threatened and your Holy Roman Empire will be totally collapsed in weeks if you fail to kill Bill Gates. When I am done you will be wishing for a goddam Nuclear Holocaust it will be so bad. Understood?
