

ZULF BLACKMAILS ALL OF EURASIA

ZULFIKAR MOINUDDIN AHMED

Eurasia,

This is my blackmail of December 12 6:03 PM. I don't want you even acknowledge you know these people at United States Government and don't invite them to any parties. And do the 'Dirt off Your Shoulders' [1] on them unless they secure natural rights of 330 million Americans. I won't try to rap like Jay-Z. I have my limitations.
