

**ZULF CHARMS JOHN ROBERTS LONG ENOUGH SO HE
DISCOVERS BILL GATES WAS TRYING TO ENSLAVE ME FOR
A YEAR NONSTOP**

ZULFIKAR MOINUDDIN AHMED

John Roberts is our Chief Justice. I charmed him long enough so his considers found that Bill Gates was actually trying to Enslave me for a year without relent. That is good. Enslavement is against United States Law. That is progress. Now the Supreme Court knows with 100% certainty that Bill Gates was actually trying illegitimately to enslave me for an entire year.

It's a nightmare. Most likely with 9/11 the White Master Race guys infiltrated the United States Government John Roberts and Lloyd Austin are liberty oriented but we don't know how bad the threat is. Mitch McConnell is part of the plot.

1. I AM A GOD AMONG MEN AND YOU ARE THE LOWER TYPES WHITE
SUPREMACIST BILL GATES TYPES

My body is in excruciating pain and I could not sleep at all because of Bill Gates and his White Supremacist Evil black magic powers. You are the lower types and I who have contributed infinitely more to my beloved people with so many immortal genius works am a god among men. You are amoeba. You are just exactly as Nietzsche describes in *Beyond Good And Evil*. You think you are higher because you can cause me pain when I have gone far past Einstein, Schroedinger, Kant, Nietzsche, Aristotle. It is I who am far superior to you Bill Gates and your White Supremacist cult. You are miserable and low, I am superior. I am superior to the whole lot of you.
