

ZULF'S JANUARY 31 2022 OPEN LETTER TO PRINCETON PHYSICISTS

1. INTRODUCTORY COMMENTS

I am seeking a tenured full professorship at Stanford University immediately. The best way to let me know of Stanford University's Decision to give me a nice tenured position is zulfikar.ahmed@gmail.com. I want to live in Mission District, San Francisco and create a couple of companies for technology-psychology applications for service to eight billion people. I am seeking tenure for my successful *Scientific work* in four-sphere theory and Universal Human Moral Nature.

I am doing the Mathematics Ph.D. Qual problems for regaining skills in Mathematics atrophied since my graduation (magna cum laude) Princeton University 1995 with a prize-winning thesis in Several Complex Variables under Jeff McNeal who is at Ohio State University now.

I will put in the effort to do all ten problems and I have my solutions to a number of other exams already.

My interest in gaining some deeper understanding of Analysis. I am also examining the history of Analysis and of Science in eighteenth-twentieth centuries to gain a holistic appreciation for *mathematical substance*.

You can find my work archived and publicly available [1].

2. PAY ATTENTION

Bill Gates meta attacks may succeed in killing me or disabling me from doing intellectual work. I need continuous attention from Nobel Prize Committee. I thank Lee Smolin for paying attention to my four-sphere theory which I am 100% sure is the final theory of macroscopic Nature with ability to perfectly represent Nature in precise Mathematics—it also resolves Hilbert's Sixth quite naturally because I stand on orthodox traditional mathematical infrastructure.

Remember, keep Physics Nobel Committee keeping track because Bill Gates not only plans to destroy me and cripple me – he literally blockaded \$620 million in legitimate earning from Christine Lagarde and David E. Shaw in New York and used (a) US Industrial Power, (b) White Racial Power, (c) US War Power, (d) European Black Magic Forbidden from 13th Century and other destructive power maneuvers, destroyed my career meta, ethnic meta and had used Enslavement and Conquest meta in my Deep Interior.

Thank you for your consideration.
