

**PENTAGON BILL GATES BELIEVES MY DEEP INTERIOR IS
HIS "CONQUEST" YOU MUST KILL BILL GATES**

Pentagon, you have been given responsibility. How will you justify that you have secured my Life, Liberty, and Pursuit of Happiness if Bill Gates repeatedly tells you that he considers my Deep Interior his 'Conquest' and he believes this and you convince yourselves that you will be okay then with not killing him? If he has conviction that my Deep Interior is his right of 'Conquest' obviously he intends to keep harming my Life, Liberty and Pursuit of Happiness and American Dream. Therefore you have not secured my Natural Rights or American Dream by any other method than killing him because he is unable to agree with you that my Deep Interior is not his right by his mind being unable to understand anything else.

I don't understand why White People are unable to make any ordinary decision that would be obvious to any child anywhere in the world whenever the criminal is white and well off.
