

## ZULF'S GRANDSTANDING OF NOVEMBER 18 2021

ZULFIKAR MOINUDDIN AHMED

### 1. PUBLIC MESSAGE OF NOVEMBER 18 2021

LET THERE BE NO CONFUSION ABOUT THIS

Ladies and Gentlemen,

November 18 2021.

I want the world to be crystal clear about where I stand on this issue.

I am a Great Immortal Genius of the Intellect, peerless and transcendent, while BILL GATES is a puny foolish Intellectual Amoeba.

That is where I stand and this is where I will stand for Eternity.

Thank you,

ZULFIKAR MOINUDDIN AHMED

### 2. KUDOS TO THOSE WHO IDENTIFIED GRANDSTANDING

You see, here I am grandstanding. The key is to be grand and make your stand. If you don't do either grand or take a stand that you claim is strong, in this case Eternal, it's not grandstanding. It's something else.

This is canonical grandstanding. Very good those who got it.
