

WHITE IDENTITY IS JUST STUPID BEYOND ALL UNDERSTANDING

ZULFIKAR MOINUDDIN AHMED

I am so sick of misbehaviour of Bill Gates that I have to point out that 'white identity' is one of the dumbest stupidest things I have ever heard of. I have been in romantic relations with an Argentine-American; I have been in long romantic relationship with a Danish woman. I have spent years of my life in intimate relationships with these women. I never heard of any 'white identity' from them. It's just too stupid for me to even understand. What the hell is a 'white identity'? In England people are English; in Holland they are Dutch; in France, French; in Denmark, Danes; in Sweden, Swedish. And if they need some umbrella, they are Europeans.

Only in America do you have confused people with "white identity". It's the dumbest thing ever invented in the history of the world. Why can't you be just *American*? America is a multi-ethnic classical liberal democratic republic. Never in history has there been any 'White Race'. This is just retarded.
