

ENGLAND HE DEALS THE CARDS AS A MEDITATION

ZULFIKAR MOINUDDIN AHMED

1. BUT THAT'S NOT THE SHAPE OF MY HEART

All right England, I have leverage here. I have the ace of hearts as you can see. Then I get to tell you what to do. I want you to produce an English Alliance with Asia. Russia and China and Japan will all be involved. I will warn Germany that you should be joining in; I gave you a spot in the global affairs that you would not have gotten at all without me, so make like a tree and join with England for mutual defense of Asia.

France I know will be indomitable like Asterix and Obelix, but that's okay. You have good taste and you will hate Bill Gates eventually. You can take a bit longer, but not too long.

This is an ace here, ladies and gentlemen, ace of hearts.

I know that spades are the swords of a soldier
I know that clubs are weapons of war
I know that diamonds mean money for this art
But that's not the shape of my heart
Oh yeah! Oh yeah!
