

**ZULF ON ADVANCED PROPAGANDA TECHNIQUES:
MUHAMMAD CANNOT MATCH ZULF WHEN ZULF'S
SELF-INTERESTS ARE THREATENED**

For you are the children of your father the devil and you love to do the evil things he does. He was a murderer from the beginning and a hater of truth—there is not an iota of truth in him. When he lies, it is perfectly normal; for he is the father of liars. (John 8:44)

You who support this deceiver and liar Bill Gates, are you too not guilty of his crimes? Bill Gates is not just a liar in the ordinary way, where one deliberately lies about one or two or ten things but he fabricates and lies pathologically. Let me give you a number of examples where he lied directly about me. He said I was not American and my papers were forged. Well I am an immigrant to America from 1987, that is 34 years, and I have had a valid Permanent Residency from 1997, and that is 24 years. Even though United States Citizenship and Immigration Services (USCIS) has thoroughly examined my paperwork and declared me fit to be American; even though I attended Princeton University graduating magna cum laude 1995; even though I have worked, and lived, loved and lost many times in America, he fabricated total lies about me and many people believed him.

Another example. I have a registered company Thyself Inc. that I was trying to capitalise. It's a ghost ship now because he was successful in blockading all funds to me including blocking my personal bank account with Wells Fargo. And then he claimed that it was his company. I have never met him personally (although I did work with Chris Thorpe who is an ex-employee of Microsoft).

These are not exceptional at all. Bill Gates is a pathological liar and every tale of benevolence in his self-promotion material is a lie. He is a liar who considers lying a norm and he has deceived the entire world for four decades. In fact he is such an egregious liar that he considers whatever he fabricates to be turning reality to his words because he has power. So he is not exactly a person who even understands what truth is; he fabricates and spouts and that is his communication. Those of you who believe a single thing he has ever said pose a grave threat to this Nation and the American people. Bill Gates has no ability to speak any truth; he does not actually understand the concept all that well.

“Woe to you, scribes and Pharisees, hypocrites! For you are like whitewashed tombs, which outwardly appear beautiful, but within are full of dead people’s bones and all uncleanness.” (Matthew 23:27)

You see the time of Reckoning is coming for Bill Gates, for he is habituated to murdering and destruction of 'little guys' which he considered his 'right' all the way back to early 1970s. You want to support Bill Gates, you shall be considered his minions. Beware of the consequences.
