

**CONGRATULATIONS POPE FOR INTELLIGENCE ON DEMON
BILL GATES' EVIL PLANS TO DESTROY HUMAN RACE**

ZULFIKAR MOINUDDIN AHMED

Dear World,

I would like to congratulate Pope Francis for gathering important intelligence on the Diabolical Evil Plan of Demon Bill Gates to Destroy the Human Race. He would like to remove Natural Rights protections and install a Meta Demon World Empire, and then routinely destroy minds and use inner resources of our people, the Human Race, at will, and impose a Tyrannical World Empire with Power given only to the closest Minions of the Evil Demon Bill Gates. Natural Rights of Man he plans to dispose, and all of Humanity will then face one of the most Dystopian Tyrannical Dark Ages our people have ever faced in out six million year history. I am quite weak, but I am extremely happy that Pope Francis understands the gravity of this situation. Demon Bill Gates has corrupted the United States Government, and has Deceived the world, pretending to be a mere Merchant Prince of Technology Emporium, and hid behind the Mask of Benevolence and Philanthropy for decades and is now planning a Diabolical End to all Light and Life and Liberty across the globe. All those who are for Liberty of the peoples of this world be aware, that this is happening. Be prepared for a difficult war to come, as the Minions of Demon Bill Gates attempt to impose their Dystopian Tyrannical Evil Empire on Earth.

Thank you, ZULFIKAR MOINUDDIN AHMED
