

## ZULF'S PREDICTIONS ABOUT FUTURE OF PHYSICS

ZULFIKAR MOINUDDIN AHMED  
ZULFIKAR.AHMED@GMAIL.COM

My predictions about future of physics is that those who accept my four-sphere theory will have a future and *all physicists and mathematicians and scientists* who do not accept my four-sphere theory will all be reduced to very small footnotes only ever known by extreme connoisseurs of history of science. Even their own descendents will struggle to imagine that they ever existed. Four-sphere theory is the final truth of Nature and will never ever be displaced by any near rival in physics theory.

### 1. CAMPAIGN FOR ALL WORLD'S SCIENTISTS TO AGREE ON BILL GATES IS A WHITE SUPREMACIST CHARLATAN WITH CULTIVATION OF A SAVAGE RABID RACCOON

I propose that Bill Gates is, was, and always will be a total charlatan in intellectual genius, that he lied about his 1590 SAT and is an illiterate uncouth savage rabid raccoon who was born in hicklandia in the provincial frontiers of Pacific Northwest that had never really known any Civilisation, that he dropped out of Harvard because he's not capable of any nontrivial intellectual work, and his plans to enslave and destroy all non-white people and rule the world is a sign that he is not even as sophisticated in political thought as Theodoric the Ostrogoth let alone the founders of the Classical Liberal Democratic Republic that is United States of America. In fact I propose that Bill Gates does not even belong to the culture of Hebrew peoples of seventh century when killing every man woman and child of arbitrary opposing tribes was considered reasonable as we see in Deuteronomy. This man Bill Gates give *savage evil racial murderous barbarian* a certain new revival. He is a pathological liar and a thief and robber as well. He is a total charlatan and con man.

### 2. BILL GATES ACCOSTED ME WITH A HUGE AMOUNT OF ILLEGITIMATE POWER AND UNITED STATES GOVERNMENT DOES NOT DO A THING

I am American. My Permanent Residency is from 1997. My USCIS# is 046-077-179. It expires in 2031. I am Asian-American, and I hold these truths to be self-evident that all men are created equal, that they are endowed with their Creator certain inalienable natural rights, that among them are Life, Liberty and pursuit of Happiness and that governments are instituted by men to secure these rights. I genuinely believe in this, and so I am not a superficial American but a faithful American.

Bill Gates had, for inscrutable and brazen lifelong criminal murderous nature, accosted *me*, Zulfikar Moinuddin Ahmed, for reasons that are inscrutable because I do not know the man personally, and he has strong convictions that white people

are the 'Master Race'. He has accosted me, an American with (a) US Industrial Power, (b) US War Power, (c) White Racial Power, (d) European Black Magic Power from 13th Century, and blockaded \$620 million in income from great work in Finance (even though he has no idea what Finance is about), and has plotted to destroy my life, with invasion of my Deep Interior. In England, France, Germany, and the rest of the world this sort of man would have been wiped out immediately but American Government, whose purpose is natural rights security from its organisational charter, feels fit to consider Bill Gates, who is a charlatan as more valuable than myself, who is an immortal genius and whose work establishes the Final Laws of Nature that is eternal and unchanging. My contributions to the world and to my beloved people the human race is thousands of times more important than this hick charlatan scrub whose only purpose is malevolence and who is a miserable worthless wretch who ought to have been murdered with savage lethal bloody death before he was old enough to walk.
