YOU'RE NOT ZULF BILL GATES YOU'RE NOT GOOD ENOUGH TO DO GLOBAL LIFE SATISFACTION BILL GATES, You're not Zulf. You're not Zulf and don't have the capability to succeed in Global Life Satisfaction. Only Zulf can do this. Zulf is special. You're not gifted. You're not good enough to do it. You're riffraff. You're provincial hick. You can't hack it. You're not talented enough. Did you overthrow Einstein, Newton and Schroedinger? No. I overthrew them, not you. You can't hack it. You're not Zulf, so you can't do Global Life Satisfaction. Only Zulf can do Global Life Satisfaction. Zulf is special. Ancient Prophecies missed me altogether, but I'm here, and you're hick. You're inferior. You can't do it. You're not Zulf. 1. LACK OF ETHNIC OR RACIAL ELEMENTS

I am not a bigot. I believe my beloved people are the entire Human Race. Note that my denigration of Bill Gates has no racial elements at all. It is the proper way to put an inferior person in their place. Superior people like myself know that ethnicity does not matter but inferior people like Bill Gates make the error of bringing ethnicity into any rivalry, thereby delegitimising their efforts. C'est la vie. I can easily crucify the snot-nosed little shit right away.
