

LOOK WHITE PEOPLE IN AMERICAN GOVERNMENT YOU HAVE NOT IMPRESSED ARCHANGEL ZULF

ZULFIKAR MOINUDDIN AHMED

White People In American Government, I am an Archangel, and I do love my Beloved People the Human Race. Bill Gates is an evil murderous scum of the Earth. You are close to him. You are around 1.4 million. You are not looking good to me. My life was harmed in the past two decades because you lied about Al Qaeda and Bin Laden and Islamists for September 11 2001 and just pushed your war agenda even though you knew that there was no terrorist hijacking on that day, and Israel's Mossad used remote control and explosives on Twin Towers and Pentagon attack. I am not party to Bin Laden and his religious crew but he was a better man than you all. He did not lie about his involvement with 9/11. He had no involvement. The truth is that neoconservatives felt that Soviet-influenced states in the Middle East could be put under United States control by regime changes. And there was no threat to the United States.

I am not impressed. Impress Zulf or I will ensure that you are removed from the land of the living for the sake of peace and harmony for human race. You have not been very good. If you show Zulf that you are able to secure natural rights of 330 million Americans, including mine, I will reconsider. Right now you seem not very good to me.

1. YOU'RE SURPRISED HUH?

Well Bin Laden is not my hero exactly. I am Western in my mindset. But I know Bill Gates is 1000 times worse man than Bin Laden, and he destroyed my interior, emptied out all my personal meta plotted to kill me and lied about me, after I had given him something that made him money. And how many decades have you aided and abetted this monster? What do you expect American White People in government, I am quite able to judge who is worse than whom. Bin Laden had nothing whatever to do with September 11 2001. You blamed him for something he did not do, and you killed a million Iraqis. You don't think an Archangel is able to judge?

You don't have much time. I will not be merciful with you at all. Clean up your act.

2. INTERESTING ISSUE

So the issue is whether my faith is influenced by the Romantics from which I gained a faith, or whether it is just something that is unique to me. The answer is that it is my faith, the things I believe, and to me they are truth. And the faith is not Christianity or Islam, but something distinct from them. I am faithful to my faith. There is no religious community that shares my faith, if that is your

concern. It is your view if you think that it is influenced and syncretic outcome of the Natural Supernatural sort of idea of M. H. Abrams. As you know, external analysis of other people's faiths are not able to capture the driving forces of faith.

What is important is that I want security of natural rights of eight billion of my beloved people, an Angelic Race, primitive and I do love them. Now if I think you are not going to be valuable in this great endeavour, you are expendable to me. See, if you were not *part* of United States Government, and you were in addition not valuable, I would not care, but you are getting in my way. And so you are warned.
