WASTE BILL GATES' MAN META**

For more than a year, Bill Gates has been abusing and squandering my Man meta, which is my private affair, and he has been abusing his power, claiming I am Muslim, and squandering my private Man meta with experiments every night.

I am ordering Joe Public to totally waste his Man meta in retaliation. United States Government ought to have wiped him out when he breached my blood meta. My Sexual Meta and Man Meta are private and he has grievously violated them harming me greatly.

I am ordering Joe Public to totally waste his private Sexual and Man Meta in response.

Thank you,
Zulfikar Moinuddin Ahmed
