

**ENGLAND YOU HAVE TO HURRY UP I NEED MY LIFE
BACK ON TRACK**

ZULFIKAR MOINUDDIN AHMED

Dear England,

Bill Gates totally disrupted my potential love affair and marriage to Darina, one of the sweetest sweethearts I had ever met. She is gone. Now I am considering Julia. She's beautiful.

I will not get anywhere if you don't come through with my *Zulf's Piggy Bank (Do Not Touch)* in Bank of England with \$620 million and an actual offer of employment as Special Attache to United Nations, Agent 006 in Her Majesty's Service.

I want to get confirmation of these right away in email or mail. Or ask someone to deliver it to my address in Allen Texas. It is a bit embarrassing for me to be 49 and not be able to provide any plans I can execute when a young beautiful woman accepts me.
